FAO The Clark of Willingdale Parish Council

Re: Public Exhibition – Aggreg8 Solution Ltd proposed Sand and Gravel Quarry at Shellow Cross Farm

I am writing on behalf of my client to inform you that Aggreg8 Solutions Ltd will be holding two public exhibitions to present details of their proposed new sand and gravel quarry at Shellow Cross Farm, Essex.

The exhibitions are part of Aggreg8 Solutions commitment to community engagement and transparency ahead of submitting a formal planning application. It will provide local residents and stakeholders with an opportunity to view our initial plans, ask questions, and offer feedback.

The attached information flyer, which is being circulated to residents and businesses within a 1.5km distance of the application site boundary along relevant Councillors and Parish Councils, provides further details in advance of the exhibitions.

Event Details:
Date / Time:

- Wednesday 25th June (2pm – 5pm)
- Wednesday 2nd July 2025 (5pm – 8pm)

Venue: Roxwell Memorial Hall, The St, Roxwell.

We would be pleased to welcome you to the exhibition and answer any questions you may have. We would also be grateful if you could display a copy of the flyer on your parish website and any display notice boards available if possible. Should you require any further information in advance, please do not hesitate to get in touch.

Yours sincerely,

Chris Hemmingsley
Planning Director
