A word from the editor

Welcome to the Spring edition of “What’s on”. Did you realise the village magazine has been in production since 1975? I’d like to pay tribute to Clare McFaul who after diligently acting as editor of the magazine for 10 years, decided to step back last year.

The magazine is produced and funded by the Parish Council, and we have been searching for a new volunteer but so far without success. If you think you could commit around 4-5 hours a quarter to produce the magazine then I’d love to hear from you.

Meanwhile, I have stepped into the role as “guest editor” hopefully just for this quarter!

Anyway, as Covid rates ease rapidly I am sure we are all looking forward to “normal” life returning after what feels like 2 lost years, and a period during which many of our residents will have faced many challenges, loss and struggles of various kinds. I hope if that is you, that you have benefited from the wonderful community spirit that makes Willingale such a special place to live.

I hope you find the magazine informative, and if you have any ideas as to how it might be improved, or know of anyone who might like to advertise in it, do please get in touch with me

David Stokes
Chair, Willingale Parish Council

Willingale Parish Council

willingaleparishcouncil.org.uk

We had a very full agenda for our January meeting, which is also when we approve the annual budget for the year. Because of inflationary pressures and having held the precept increases over the last few years to 1% or less, we reluctantly took the decision to increase the precept by 3% which is still well below the current inflation rate of 4.9%. This takes the "band d" precept from £21.31 to £21.95.

Parish Clerk

I am pleased to report that we have successfully recruited a new clerk in Steff Smith. Steff lives in the Broomfield area of Chelmsford and comes highly recommended to us. She started work on 7th February and is currently familiarising herself with the intricate rules and procedures of Parish Councils! I am sure you will join me in giving her a warm welcome, so do come along to one of our meetings to meet her.

Defibrillator

I'm delighted to say that our grant application for a defibrillator was approved, the defibrillator has been delivered, and we now just await the case, and installation. By kind agreement of the village hall committee, it will be mounted on the exterior wall of the village hall.

Training will be provided by "London Hearts" and the defibrillator is then registered with the East of England Ambulance Service, so that it can be signposted in the event of an incident. More updates to follow soon.

What's on in Willingale

As mentioned in my "editorial", we are still trying to find someone to takeover after Clare had to step back after serving for 10 years. It is a voluntary role, and she estimates that it takes around 4 hours *once a quarter*, with occasional ad-hoc liaison work in between. If you think you might have what it takes, do please get in touch.

Local Crime

We were delighted to welcome Warren Shepherd PC to the Village hall to talk about rural crime and please see the article elsewhere in this edition.

Social Media

We have launched our Facebook page, and whilst it will not be the sort of page where lots of comments can be posted (as we don't have the resources to manage that), you can "follow" the Council, which means that you will receive notifications of any posts to the page.

It is still a work in progress, but over the months ahead, we will use it to post any topics of interest or news about the Council's activities. You can find it here:

https://www.facebook.com/profile.php?id=100077432659741

Fingerpost Signs – The Final Word!

We have just received a letter from The Chief Executive's Office at Essex County Council regarding our fingerpost signs which states:

"We have contacted Essex Highways in respect of the non-urgent defects recorded for the fingerpost directional signs in Willingale – we are sorry to hear of your concerns in respect of this issue, however, Essex Highways have informed as these defects are considered non-urgent there is no current plan in place for repair. Essex Highways regrettably has to make difficult decision when deciding on which maintenance issues to prioritise due to the wide-ranging function of highway maintenance. It is therefore essential that they have a robust prioritisation process that allows them to focus on the areas of greatest need with all service requests and defects being assessed and prioritised according to their level of severity".

The Parish Council will now decide next steps, including whether to self-fund the replacement of the missing sign at the bottom of Beech Road.

David Stokes,
Chair of the Parish Council
cllrstokes@willingaleparishcouncil.org.uk

Next Meetings: 8th March 10th May 12th July
All meetings 8pm at Willingale Village Hall.
Members of the public are welcome to attend

utl Security Solutions

Is Your Home Protected ?

KEY FACTS

- The cost of valuables lost in a burglary is on average £4400. According to government statistics
- Homes with no security measures are five times more likely to suffer a break in than those who have taken simple security measures to protect their home.
- Did you know that a third of all burglars get in through a back window because it is less likely that someone will see them? Our CCTV can cover all angles of your home including your cars and your garage.
- Burglaries not only result in the loss of cars, jewellery and other sentimental things but leave you second guessing your own safety.

As a Parish Council we noted that in January concerns were being expressed on the Village WhatsApp group about a perceived increase in local crime. We therefore contacted PC Warren Shepherd and arranged for him to attend a meeting at the village hall on 4th February which I hosted.

Warren (pictured) is the "beat officer" in the Community Policy Team which operates out of Loughton Police Station (details below), and gave a brief introduction about himself, and the role the team plays.

The good turnout for the meeting was indicative of the level of interest in the matter, and the issues discussed ranged from hare coursing, to shed thefts, burglary and auto-crime. Although there were no easy answers, it was good to hear what Warren had to say, and he encouraged all crime, however minor, to be reported so that patterns could be established including with neighbouring areas, which could guide future patrols/resourcing. Minutes of the meeting are on our website.

Warren's contact details are given below, although please dial 999 in the event of witnessing a crime in action. Minor crimes not requiring immediate police attendance can also be reported on the Essex Police website

Allotments For Rent

St Christopher's has two allotments for rent. All have good soil and many years of enrichment. Stunning views.

Annual rents due September.

1st Allotment: 4.7m x 12.7m £34.00

2nd Allotment: 6.5m x 8.7m £32.00

Interested, please contact Jean Hodgkinson 01277 896493.

St. Christopher's Church News

It is with great pleasure that Rev'd. Stewart Gibbs has agreed to lead us in worship on a regular basis.

I am pleased to be able to tell you that we now have a regular pattern of services in the church. On the first Sunday of the month, Rev'd. Gibbs will officiate with a service of Holy Communion at 9.30 am. Stewart will also preside over a service of Evening Prayer on the 3rd Sunday at 6 pm. Our family service will take place on the 4th Sunday at 9.30am led by me and a member of the congregation giving the talk.

At the service on Sunday 6th February, Rev'd. Gibbs baptised George Bosworth. George was so good in spite of all the people in the church.

Having now completed the work to the north aisle we had space to sit and enjoy a cup of tea after services and this area was well used after the baptism of George as the family gathered in the north aisle.

We have several weddings during the year which is lovely.

The Diocese still requires the church to pay approximately £10,000 per annum. This amount is difficult for us to pay but we hope to be able to pay most of this by holding various fund raising events and the generosity of members of the community.

As your Churchwarden, I am happy to help with things like interment of ashes & burials and of course weddings. You can contact me on 01277 896238 or 07900 592267.

St. Christopher's Willingale Bell Ringers

Tower Captain - Kieran Kerwin Vice-Captain - Gemma Crouchman
Affiliated to the Essex Association of Change Ringers

www.willingalevillage.uk/bell-ringers

After two years of not being able to celebrate together the Willingale Bellringers, in December, were able to hold their Annual Christmas Dinner at the White Hart in Moreton. Twenty two people attended and enjoyed delicious food and a good evening was had by all.

The bells have been rung at every Sunday Service and a team rang for the Carol Concert on 19th December 2021. Little did we know that most of those ringing that afternoon would test positive for Covid 3 days later. It was then decided that Bellringing at St. Christopher's would be cancelled until the New Year. This unfortunately meant that there was no sound of bells heard across the village on Christmas Day.

We started back to our usual Wednesday night practices in January in good health.

The EACR North Western District AGM should have been held in Willingale on 29th January 2022 but due to the ongoing COVID situation that was changed to a virtual zoom meeting.

On February 6th there was a Service of Holy Communion together with a Baptism and of course the Ascension to the throne of Queen Elizabeth II some 70 years ago. Bellringers across the country were asked to show their support and appreciation by ringing and we were more than happy to join in.

We always welcome new ringers so if there is anyone who would like to find out what it is all about please contact me on vnoon@btinternet.com

or contact our bookings secretary on 01277 896490
email: willingalevillagehallbookings@gmail.com
Willingale Village Hall, The Street, Willingale CM5 0SN

Willingale Village Hall

We are delighted that the village hall is back in use, it is a wonderful resource in the village. The main hall is a perfect space not just for parties and weddings but also for indoor sports. Why not book it with friends to meet up for a game of badminton or short tennis? The Cleminson room is cosy for small gatherings and meetings and with a spacious kitchen it is ideal to hire when you would rather not have lots of guests at home or want more space.

The committee continues to invest in the hall and had a grant which was used to spruce up the hall notably the exterior redecoration and more recently received another grant designated to improve ongoing covid precautions and which we have used to install UV air purifiers.

We have had problems with drainage over many years and last year was no exception we initially had the drains jet washed then after the second incident a CCTV company report revealed severely deformed pipework. We will now get quotes for the work.

Please bear with us as we sort this problem and help us
be careful with what you flush down the toilets as the pipe blocks easily!

Two members of the village hall committee have had to take a break for health reasons and we wish them both well. I know many of those reading this have already been on the committee, perhaps you could consider if you could join us to help cover these sickness absences? Maybe you haven't thought about joining this committee please consider it.

For more information contact Llyris (booking secretary). The committee meets monthly and we oversee the maintenance of the building ensuring that hirers can expect a high standard. The hiring charges are kept to a minimum, but this is challenging in a climate of rising costs rising and we will need to raise funds to sort out the drainage.

Village Hall AGM Tuesday 17th May

IF I TOLD YOU....

You could have a dream body AND earn lots of money, would you join me?

Fantastic opportunity to:
Get the 1:1 Diet products at cost
Be your own boss
Flexible working hours
Work from home
Uncapped earning potential
No tie-ins
Low set up costs (£200)
I'd be your mentor & support you every step

Contact me today if you are interested in finding out more about becoming a consultant OR indeed if you'd like some support with your weight loss.

Willingale

Community Archive

In 1942 Minsons Farm house was demolished, and rubble from houses bombed in London during the blitz was delivered to the village and on 25 June 1943 the Americans flew in!

"The sand lorries came and the mud! They could not slow down, so everyone got covered with mud. The runways had to be built as quickly as possible". (taken from Ina Campon's memories in the archive).

The 387th Bombardment group arrived from Kentucky in their Marauder aircraft with their nose art which must have seemed very raunchy for the local residents. The Americans held dances in the village hall, wooing local ladies, they gave sweets to local children.

However, their role was serious and they began combat on 15 August 1943 attacking coastal defences on the French coast. During eight months of operations from Willingale Airfield "the 387" flew 204 missions and lost 10 aircraft.

The main runway was 6000 feet long with two secondary runways of 4200 feet and an encircling perimeter track with 51 hard standings, 48 loops plus two large loops and a pan type loop. Alongside the hangers there were various field maintenance shops. The buildings were largely constructed of Nissen huts and all the facilities were all connected by a network of single path support roads. Communal accommodation was provided for 2770 personnel and included sick quarters. So quite a large operation in our small village especially as they left the village in July 1944.

Contact Dawn on 01277896533, 07906053754 willingalearchive@gmail.com

Keep Willingale Tidy!

After several disappointments due to Covid, the Parish Council was finally able to complete a community litter pick. After severe storms over the preceding week, we were fortunate to have a beautiful sunny morning.

The event was superbly organised by Stuart Bosworth and his wife Carol generously provided delicious bacon rolls for all volunteers.

We were also delighted that Iain Ballantyne brought the Cafe2U van and provided free hot drinks for all.

There was a great turnout with some 30 volunteers, and the event kicked off with a safety briefing at Spain's Hall Farm, and after getting fuelled up with coffee and bacon rolls, volunteers were sent out to an allocated area to undertake the litter pick.

EFDC provided litter pickers, gloves, hi-vis vest and of course the bags, and they arranged for BIFFA to collect the rubbish immediately after the event.

Stuart had arranged for Rick & Carol, and Jack & Amy to provide logistical support using their “Gators”, and they went around collecting filled bags, distributing additional supplies etc.

We collected numerous bags of litter, more than 10 car tyres, 2 hand saws, various car parts, and old Karcher jet wash, a stereo system and a concerning amount of empty spirit bottles! We also removed a wheelie bin and two safety barriers that had been left in the village for months on end.

As it was all stacked on the farm weighbridge we could see that the total collected was well over half a ton, and Biffa were amazed at the amount collected by a group of volunteers and had to send for a back-up vehicle!

Quite aside from the benefit of clearing litter, the event provided a lovely opportunity for socialising with others from the village and for meeting new people. We hope to repeat the exercise at least once a year.

Our sincere thanks go to Stuart & Carol Bosworth, Iain Ballantyne, all the volunteers, and EFDC.

Hummingbird
PILATES & YOGA

Small group Pilates and Yoga classes.
35 Classes a week to choose from.
Beginners, Intermediate and Advanced level classes.

MAY DAY 2022

Sunday 1st May

Plans are being worked up for the village to celebrate arrival of spring and ending of coronavirus restrictions with May Day on Sunday 1st May. A church service will start the day followed by traditional Maypole Dancing, tea & cakes, parade by May Queen on tractor and trailer, WSSC bar, BBQ, and afternoon entertainment. After a couple of years without a May Day celebration we cannot be certain of the timing or content, but it is hoped that we'll rekindle the fun and enjoyment of past years.

The day starts with church service at 9.30 and flows on thereafter.

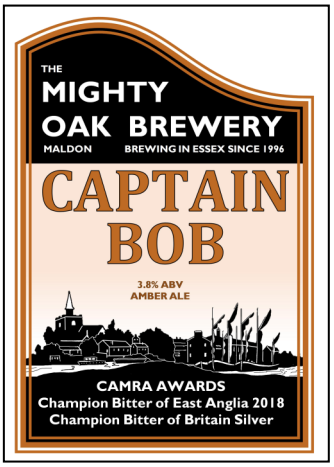

Tea/coffee and cakes and Maypole Dancing at church.

A highlight of the celebrations would be the naming of the 2022 May Queen with tractor & trailer procession from church to Village Hall with distribution of posies.

It is planned that in the afternoon there will be some form of entertainment in the Hall, May Pole dancing outside and general conviviality.

The WSSC bar will be open with a guest beer.

A BBQ available during the afternoon.

Look out for more news as ideas develop.

Friday catch up

EVERY Friday
At Willingale Village Hall
10.30am to 13.00pm
Drop in for a drink or for brunch (ready 11.30 am).
Please let me know if you would like to stop for brunch by the Wednesday for catering purposes.
Phone 01277896533, 07906 053754, stokes.dawn@outlook.com,

Friday catch up / community club is 10 years old this April! We continue to meet every Friday although through the years the format has changed and we trial various activities to see to ring the changes.

This year we are going to try and have people come to talk every 6-8 weeks. I am exploring options: benefits, pension credits, etc.; conservation/wildlife; recycling. This will all depend on who I can find. Dates and speakers will be put on what app village pages and the catch up Facebook page so do look out for that.

Catch up wouldn't be possible without all those who help me every week. Lin in particular arrives early to help me get the food prepared. And also everyone who mucks in with preparation washing-up and clearing up. Thanks to Keith who expertly rolls the tablecloth up each week!

Willingale WhatsApp group

During Covid the village WhatsApp group became a valuable resource. It is still very useful. If you are a Willingale resident and would like to find out more and how to join please contact Jacqui 07867 971641 or Dawn 07906 053754

Mini Athletics Epping Forest, Cheshunt and Harlow is bringing fun sports classes for pre-schoolers to Willingale Village Hall!

Our aim is simple - to get kids moving! We know that our children love to be active and we're here to provide a safe, nurturing and positive environment to introduce them to the fundamentals of athletic movement, while also having loads of fun! Our sessions are friendly, fun and packed full of brilliant things that all of our athletes can love and learn from. We structure our classes to develop a wide range of young children's skills, including listening, counting, colour recognition, understanding instructions, sharing, using their imagination, supporting others, working as a team and competing.

Our first classes will be on Monday 21 March and will continue weekly thereafter. Tasters are available so come and give us a try! Bookings will open the week before the first class, but you can sign up to our waiting list now!

For more details, please visit our website.

Friends of St Andrews Willingale.

THE CHURCHES CONSERVATION TRUST

*St. Andrews church is **always** open,*
Muddy Boots and dogs welcome!

St Andrews and All Saints Willingale, to give it its full title merged with St Christophers in 1928 and declared redundant in 1985. Redundant churches then have three options.

- To be left to the elements. For example, Berners Roding church
- To be repurposed. For example, Shellow Bowells church as a home
- To be conserved for its historic value.

In the 1950s St Andrews was well on its way to being in the first option. The roof was in a very poor state of repair with rain coming in. Thankfully the 'Friends of Friendless Churches' ensured that the church received repairs to preserve the structure and keep the elements out. (do see the leaflet on Friends-of-friendless-churches-leaflet.pdf (willingalevillage.uk))

Fortunately this historic building was preserved thanks the 'Redundant Churches Fund', now known as the 'Churches Conservation Trust'. Apart from its historic significance St Andrews is also a place of sanctuary.

Churches have always been known as places of sanctuary and this was historically enshrined in law since Anglo-Saxon times. Sanctuary was non-discriminatory, available to those of any religious and cultural persuasion.

Step into St Andrews through the thick stone walls to a place where there is such a strong link to previous generations of Willingale residents. Step away from the demands of modern life. Recalibrate. A Place of shelter from the storms of life. For those with a Christian faith the link to a thousand years of Christian prayers and worship is particularly powerful.

Thank you to Jill and Amanda for their hardwork at knitting, designing the wonderful displays in St Andrews. they are much appreciated.

Village Day 2022

25th June 2022
Hold the date for the Return of Willingale Village Day

After a two year absence Willingale Village Day will return on the 25th June 2022. The past two years have been challenging for everyone, the COVID 19 pandemic has made a lot of demands but we want this year to bring the Village together again to take part in this traditional important event in the Village calendar.

We are currently planning the day and as usual we are looking for volunteers. If you want to run a stall or can help with setting up the marquees or anything else let us know. We will provide more information over the coming weeks.

If you have any ideas for Village Day or would like to help either before, or on the day, please contact me.

Willingale Tea Room

On the third Monday of every month we hold a friendly coffee morning in the Cleminson Room of Willingale Village Hall from 10.00 - 12.00.

This is a community event and everyone is welcome to come and enjoy unlimited tea and freshly brewed coffee, together with home cooked delicious sweet and savoury treats, all for the amazingly small price of £2.

It is a great opportunity to meet other villagers, to have a chat and find out what else is going on locally. You would be most welcome to attend.

Monday 21st March
Monday 16th May

Willingale CC are eagerly anticipating the return of warmer weather and the convivial buzz of village cricket, with games beginning from mid April.

Our first scheduled home games are two league warm-up games on Sunday 17th April and Saturday 23rd April, both starting at 1pm v Great Baddow and Springfield respectively.

This season, we face a stiff challenge in Premier Division cricket returning to The Glebe after over a decade in the leagues below, so an exciting and challenging battle lies ahead.

Last summer's wholly unbeaten season was very memorable, and we have a full calendar of matches which will be available to pick up at our first game. We are also planning our mini beer festival, curry nights and other village activities too. If anyone would like to get involved with us, either socially, as a player (we play league and social Sunday cricket) or as a valuable fundraiser, we'd love to hear from you on joniread68@googlemail.com

The Willingale Invincibles look forward to welcoming you and hopefully, entertaining you!

Essex County Council

We are keen to understand how you use the bus in your local area, whether this has changed because of COVID-19, and what attracts you to use buses. If you do not use the bus, we would also like to learn why that is.

Please do complete this short survey:

https://consultations.essex.gov.uk/iptu/bus-network-reviews-epping-forest

Register of Members who can offer services

WSSC is pleased to publish this list of services made available locally by Members of the Club. Please note, however, that the Club does not suggest that the providers of services or goods listed have been vetted for quality or value for money. It is for individuals to make their own judgement, but it is our opinion that an extra dimension of security is probable in dealing with local people known to you, rather than taking a chance.

Contact Clare McFaul for all advertising enquiries on 01277 286160
