A word from the editor

Welcome to the Spring Edition of “What’s On” - its exactly a year since I stood-in as editor after Clare stepped back after diligently producing the magazine for 10 years.

Being Chair of the Parish Council is quite time consuming so it would be great to have a volunteer to take on the magazine.

You will need good communication and time management skills, a decent level of computer literacy (E Mail, Adobe and Microsoft Office products), and an eye for detail. Based on my experience over the last year I would say that each quarter:

- about an hour is spent liaising with advertisers and contributors.
- It takes about 3 hours to actually put the magazine together.

All told, it would be prudent to assume 4-5 hours a quarter for which you would be providing a real service to the Community, and have the satisfaction of seeing your handiwork delivered to every household in Willingale, thanks to Steve Arnold who physically produces the magazine, and Heather Gingell whose team of volunteers do the deliveries.

Please contact me for a “no obligation” chat !!

With your magazine this quarter, you should also have received a survey for completion on rural affordable housing - do please take time to complete this survey, either using the paper form or online.

After the successful installation of the airfield memorial last year, we are now planning the planting of the earth bank to the rear of the memorial , and the erection of a “lectern” style information board.

Dawn and the Village Archive hosted a talk by Alan Crouchman on the history of the Airfield and the 387th Bombardment Group which attracted 120 guests, and donations towards the information board totalled £540.

For the planting of the mound, we have received advice from the Royal Horticultural Society, and planting should take place over the next month or two.

Affordable Housing: you should have received a letter and survey with your “What’s On” from the RCCE about affordable housing. It should only take a few minutes to complete, but the more responses received the better informed we will be about needs in the Parish, both now and for future generations. I would encourage all residents to complete “Part 1”, and the second section is just for those who have a defined housing need.

Thank you

The Reverend writes……..

In my last letter to WOIW I mentioned that I had been attempting to walk along the length of the River Roding from its source to the Thames. I have now completed this trek, reaching Creekmouth and Barking Reach on a walk last month. I have found the place where a lot of the rain that falls on our village ends up!

How different the last few stretches of the river are from those around Willingale! Indeed, you could say the river represents something of the changing history of our country - from its sleepy rural past, to its frenetic and multi-cultural future. There are a number of stereotypes there, but perhaps some truth as well.

The truth is that life is always changing. But we also need to hold onto things to keep us rooted in what is most important. In Willingale there are a good number of village events throughout the year that keep us together as a community.

In the church, the yearly round of festivals is very significant in retelling the Christian story. At Easter we remember that, although there can be dark times for us all (symbolised by Jesus' death on the Cross) there is always hope in God's Love and Blessing (shown by Jesus' Resurrection from the dead).

As the year continues into Spring and Summer, what are the dark times you want to leave behind? What is giving you hope? I pray that you may find many good times ahead on your walk, or trek, through life.

Best wishes and God Bless.

Rev. Stewart

P.S. My next river is the Chelmer, and I have already walked from its source above Thaxted to Papermill Lock near Chelmsford!

Is Your Home Protected ?

KEY FACTS

- The cost of valuables lost in a burglary is on average £4400. According to government statistics
- Homes with no security measures are five times more likely to suffer a break in than those who have taken simple security measures to protect their home.
- Did you know that a third of all burglars get in through a back window because it is less likely that someone will see them? Our CCTV can cover all angles of your home including your cars and your garage.
- Burglaries not only result in the loss of cars, jewellery and other sentimental things but leave you second guessing your own safety.

St. Christopher's Church News

It has been a relatively uneventful last few months in the life of St Christopher's after the excitement of the Quiz Night and the celebration of St Andrew's Day.

The main highlights of Christmas were the Carol Service and the celebration by Rev'd Stewart of Holy Communion on Sunday 26th, both of which were well attended.

January proved a quiet month but Evensong and the Family Service were celebrated although attendance was rather disappointing due to the very cold weather. We look forward to better things in the Spring, in particular the King's Coronation celebrations.

In mid January the combined parishes of Fyfield and Willingale attended a meeting with Lynn, Bishop of Barking to discuss their future "ministry" arrangements. We await the outcome of this meeting and hopefully we will have something to report in the summer edition of "What's On".

Finally, please put notes in your diaries for Saturday **1st April** when the "People of the Green" are giving a concert (see opposite), also on **20th May** when Warren Symes has kindly agreed to give a fund raising organ recital. Some of you may recall the performance he gave in 2021 to mark the refurbishment and relocation of the organ which was received with universal acclaim.

St. Christopher's Willingale Bell Ringers

Tower Captain - Gemma Crouchman
Affiliated to the Essex Association of Change Ringers

www.willingalevillage.uk/bell-ringers

Well here we are in 2023 - it doesn't seem possible does it?

We have continued to hold our practice nights on Wednesday evenings although often with a reduced number of ringers. Friday night practices continue to be held, with the simulator being used, under the auspices of the Ringing School with Ian Kerwin in charge.

We are managing to get a band together to ring for most Sunday Services but it is getting more difficult with fewer ringers available.

We have one new ringer from the village, which is positive, and she is making good progress. So if you fancy joining us on a Wednesday evening you know where to find us.

Ian Kerwin celebrated his 60th birthday by inviting family, friends and fellow ringers to St. Christopher's Church on a Wednesday evening practice night for refreshments and bell ringing.

With the coronation of H.M. King Charles in May we will be requested to ring to celebrate the event. With a shortage of ringers in most local churches there could be problems if we are asked to all ring at the same time.

So if you fancy "Ringing for the King" please contact me on 01277 362770 or come to the church on a Wednesday evening between 7.45pm and 9pm

We always welcome new ringers so if there is anyone who would like to find out what it is all about please contact me on vnoon@btinternet.com

Willingale Community Archive

willingalearchive@gmail.com

The Community Archive have had a busy time with the airfield memorial unveiling and talk on the airfield on Sunday, 19th February

In the meantime we have received a request to investigate one of the monuments in St Christopher's Churchyard – the monument is large and Grade II Listed and appeared from the listing to relate to solely to someone called Caroline Carpenter. It is obviously an expensive monument presumably from an important local family.

We visited the Essex Archive Office and found records that William Lucking was interned in the monument on 6th August 1815. He died aged 52 years and we found a copy of his will at Essex Archives signed by him which shows he owned the copyhold of Fyfield Hall - the inscription on the monument reads:-

"Grieve not for me dear wife it is in vain/ Your loss I hope is my Eternal gain/ A loving husband a friend most dear/ A tender husband lieth here/Afflictions sore he with patience bore/Physicians were in vain/Till death did seize and God did please/To ease him of his pain/Tho great my loss I hope with joy/In heaven to meet again"

We can see indistinct wording on the monument so he was possibly not the first generation to use it. We then searched for information about Caroline Lucking, William's wife and found that she was 26 when she married him in 1810. William's will was written in 1814 and from the wording he was clearly very ill. Caroline had no children with William from what we can see so far.

After William's death, Caroline married Daniel Carpenter in 1820 at All Saints Church in Writtle and went on to have two children with Daniel. Caroline died in 1845 at the age of 61 and she was interned with William in St Christopher's. Daniel died in 1855 and was buried at All Saints Church aged 65. Why Caroline was buried with her first husband we do not know.

We continue to look for further information about her and the Lucking family if you have any useful information please do contact us .

Willingale Community Litter Pick!

On Saturday 4th February some 30 or so volunteers turned out for the 2023 community litter pick. Stuart Bosworth did a fantastic job organising the event, with litter picking equipment, hi-vis vests, gloves and bags being provided by Epping Forest District Council.

Stuart gave a safety briefing, and then the group of hardy volunteers were sent out in pairs to cover designated areas!

A big “thank you” also goes to Carol Bosworth who provided the volunteers with bacon rolls, and to Iain Bosworth Cafe2U for serving hot drinks to everyone.

The team of volunteers covered the entire Parish, and although the amount of litter collected was a little less than in 2022 it was again surprising just how much litter had accumulated. Our thanks also to Rick Allen, and Jack Bosworth who patrolled the lanes picking up the full bags.

It was a great example of the community spirit for which Willingale is known, and our thanks again to Stuart for organising the event, and to the volunteers who gave up their Saturday morning to take part.

WILLINGALE VILLAGE DAY

June 24th 2023

Spring is approaching and we are starting to plan our annual Village Day.

We will have the usual favourites such as the Dog Show but every year we are always looking new ideas and of course volunteers to help in the preparations beforehand and on the Day.

If you have some ideas or would like to become involved and help with Big Day please do contact me on 07884 183374.

Thanks
Val Thomas

WAMDRAMS

Pinocchio - 2023

Wamdrams presented Pinocchio on the 3rd and 4th February 2023. This was the 16th production by Willingale Amateur Dramatics and was full of energy. The backstage crew worked their magic with wonderful scenery and magical effects. Pinocchio was played by Lennie Bartolo who bought this puppet to life perfectly with help of Nigel Holgate (Gepetto), Nathan Storey (Jimny Cricket) and Jeannette Tirmizey (The Blue Fairy).

As with any pantomimes we had our share of baddies (oh yes we did!!), the sly fox, Volpe was played by Neil Stebbings, with Sarah Mcartney as his sidekick Gatto, the cat. However, Jason Rudd suitably was the baddest baddie of them all, as Stromboli the evil puppet master.

Then of course we cannot forget to mention our Dame, Mamma Mia and her dim witted son Lampwick, played by Steve McFaul and Gemma Crouchman respectively. They provided the slapstick style comedy with plenty of jokes, some funny and some plain silly, as we come to expect in a pantomime.

It was great to see the children growing up before our eyes. Rosina, Edith, Isla, Merlin and Jack (the newest member of the Wamdram family) under Laura Mckenna's guidance, all performed their socks off and the audiences really appreciated this.

Finally, we cannot forget everyone else involved, the unsung heroes…….lighting, sound, box office, costumes, props, scenery, without these fantastic people the show would not go on.

I hope those that did come and see this years show enjoyed watching it as much as we enjoyed performing it.

We are now going back to the drawing board to work on our next production and if anybody wants to be involved, please speak to either Allyson Mckenna or Steve McFaul.

Willingale's cricketers have been continuing to maintain form ahead of the summer season by playing two teams in the Riverside Indoor League in Chelmsford. The A Team under Paul Dawson have gone for a more inexperienced side this winter to give more people exposure to the game, and have done very well to maintain their position in the top division in the three division league. Will Hammond is currently the leading run-scorer in the whole competition and the guys have done well going up against strong sides.

The B Team under Jon Read have also been playing newer lads too and have also had a more indifferent season after winning the league last year – but are on track to finish either fourth or fifth in Division 2.

Thoughts are turning to the summer season, and a bit of sunshine really can't come quickly enough. Following our close relegation last year, we will ply our trade back in Division 1 of the Herts & Essex Border League again, where we will play old foes such as Stansted, Braughing, North Weald and Potter Street.

Once again, as village cricket continues to get a little harder to put on each passing year, we'd be immensely grateful for any new players that may like to turn out for us and are always indebted for all the support the village and surrounding area gives us. A warm Saturday afternoon with the bar open, and a tense game in the offing, there's fewer better places to be.

We hope we can entertain once again, our village approach being that we're all there to have fun and try to win, so if anyone has any knowledge of players that may fancy a game – please feel free to give me a call on 07825 303068. We will have one or two social events over the summer too, including our customary beer festival weekend and some curry nights, we look forward to seeing old friends and new come April.

Sylvia Elizabeth Farnall-Tott

16th June 1942 - 17th December 2022

Sylvia was a well known part of the Willingale Community, always on hand to help out at events and celebrations, and always with her characteristic smile and sense of humour. Many of us have fond memories of her leading the family services at St Christopher's when she would find amusing and engaging things for the children to do.

She would also share stories about the importance of her faith in Jesus and how that shaped so many of her daily activities.

It was lovely to see the church packed for the service conducted by Revd Albert Watson on Thursday 12th January, not only to mourn her departure, but also to celebrate her life - a life lived to the full.

Sylvia, you are truly missed but we draw comfort from knowing that you are now at peace in the company of the God you served so faithfully while you were among us.

COUNTY COUNCILLOR JAYMEY MCIVOR

Dear Residents of Willingale,

Firstly I would like to start my note by wishing you a very Happy New Year and thanking you for your support to me personally and professionally last year.

2022 was an interesting year to say the least. Whilst it may have been a challenge to keep up with the national politics I can assure you that locally it was business as usual – delivering for our residents.

As your County Councillor my mail bag is full of correspondence, from matters relating to schools, health care, transport, community groups and of course planning matters. A large part of my mail bag is of course related to Highways matters. That's why I was delighted that Essex County Council have announced an additional £9m will be spent on Highways with a large allocation of those funds being given to County Councillors to decide what works are a priority. For this I rely heavily on the excellent work of your Parish Council and District Councillor (Cllr Ray Balcombe) who communicate highways concerns and defects with me on a regular basis. If you wish to report any matters to me please do so via the contact details below or via your Parish Council.

As a county and community we face enormous challenges this year but I know many of these challenges can be halved with the great community spirit and strength we have here in Willingale and of course the strong Conservative Leadership of Essex County Council.

It is an honour to serve you as your County Representative. I do so with such pride every time I step foot into a meeting, represent you at a conference, or attend an event as your guest.

Whatever 2023 holds for you, please always remember that here in Willingale you are part of a community that is always here for you, as am I. Whether you have ambitions this year or simply want to get by – I hope 2023 delivers for you.

I look forward to seeing many of you throughout this year, as I continue to deliver for your community here in Ongar Rural.

Willingale Annual Parish Assembly

Did you know that all Town and Parish Councils throughout England are required by law to hold an **Annual Parish Meeting**, or Assembly which must take place between 1 March and the 1 June ?

The purpose of the meeting is to give the Parish Council, and other local organisations an opportunity to let local residents know what they have been doing over the past year. The meeting is also an opportunity for electors to have a say on anything they consider valuable to the people of the Parish.

The Annual Parish Meeting is for all electors of the Parish but it is *not a meeting of the Parish Council.* Anyone is welcome to attend the meeting however, only registered electors of the parish may speak and vote during the meeting.

Traditionally we have held the Willingale Parish Assembly around May time, but with the Coronation that month we may well bring this forward a little. Every year the Parish Council sends out invitations to around 15 village organisations to talk about their activities, although turnout in 2022 was a little lower than in previous years.

Please keep an eye on the Parish Council and Village Hall notice-boards, and the WhatsApp Group for the date to be announced.

It would be great to have a good turnout of residents to come and hear what the village organisations have been doing to put on activities or provide services to you, the people of Willingale - I'm sure they would appreciate your interest and support.

The event is usually on a Friday evening so you can enjoy a drink in the bar with friends afterwards.

Please come along and support us. **All are very welcome!**

With Spring on its way we start to think about getting out to walk in the beautiful English countryside again, but where to find new and interesting walks?

Walking in Essex https://www.walkinginengland.co.uk/essex has loads of walks to download and print, free, it also has books of walks, details of all the walking groups in the county and much more. Whether you want to walk on your own or with a group all the information is there in one place.

John Harris (who maintains the website) said 'There is so much walking information on the web but it is difficult to find. Walking in Essex (part of the Walking in England website) has brought it together in one place so whether you are walking from home, or away on holiday, you will be able to find a walk suitable for you

With walks from half a mile to twelve miles plus long, and a note of suitability for pushchairs and wheelchairs, everyone can find a walk to enjoy.

So home or away, check out the websites and get walking!

WILLINGALE SPORTS & SOCIAL CLUB

Register of Members who can offer services

WSSC is pleased to publish this list of services made available locally by Members of the Club. Please note, however, that the Club does not suggest that the providers of services or goods listed have been vetted for quality or value for money. It is for individuals to make their own judgement, but it is our opinion that an extra dimension of security is probable in dealing with local people known to you, rather than taking a chance.
