# A word from the editor

Dear Readers,

I'm writing this having just returned from the Essex Young Farmers Show, where it was great to be reminded of the enormous talent, hard work, and entrepreneurial spirit show by our farmers. Spare a thought for them as you drive around the beautiful lanes in our village. The show was a great day out as usual, and thankfully the weather held, which was a relief after the somewhat freak weather including the hailstorm that we have seen recently!

I hope you enjoy looking through the magazine again this quarter, and do get in touch with me if you have any ideas for future editions, or indeed if you would like to get involved in the magazine's production.

# Willingale Parish Council

willingaleparishcouncil.org.uk

The Parish Council was pleased to host the "Annual Parish Assembly" on the 19th May, where those present heard reports from 18 organisations across the village. Each one is run by a group of volunteers. Some are trustees of charities, others are volunteers drawn from the membership of the various clubs that provide activities in the village.

It was great to hear all that they had to say, but the question was posed at the end of the meeting by one of those present, along the lines of "*what can we do to encourage newer, (and younger!) members of the community to get involved?*" - this was an excellent point, because it is vital that each organisation has the support that it needs, and to have others ready to step forward as existing members or trustees retire.

So if you have become a resident of Willingale in more recent times, and haven't yet got directly involved as a trustee or volunteer, why not ponder what you might be able to contribute and get in touch with one of the many groups featured in the magazine?

In other news, the airfield memorial information board has been delivered, and Councillor Nick Pavyer is to organise a working group to get it concreted into position—look out for it soon as you drive past! The planting of the earth bank has been delayed while the latest crop of weeds were sprayed-off, but should be completed in June.

The Council's project to re-instate missing finger posts is inching forward, and first-up will be the one at the bottom of Beech Road - watch that space!

**Alex Burghart MP**

As your local MP since 2017 (and as a resident of Ongar) I come to Willingale whenever I have the opportunity - I love the village and the strong sense of community that exists in the area. My most recent trip was a meeting in St Christopher's in March where I chatted to local residents and met the expert gang of campanologists in the tower.

Although I have to spend much of the working week in Westminster, I am normally working in the constituency on Fridays and at the weekend and am always delighted to receive invitations to local events.

I am also always keen to hear from constituents about any issue that is on their minds and affects the local community, so if there's anything I can do to help you please get in touch.

## Is Your Home Protected ?

### KEY FACTS

- The cost of valuables lost in a burglary is on average £4400. According to government statistics
- Homes with no security measures are five times more likely to suffer a break in than those who have taken simple security measures to protect their home.
- Did you know that a third of all burglars get in through a back window because it is less likely that someone will see them? Our CCTV can cover all angles of your home including your cars and your garage.
- Burglaries not only result in the loss of cars, jewellery and other sentimental things but leave you second guessing your own safety.

# St. Christopher's Church News

The last news from St. Christopher's started with "It has been a relatively uneventful last few months…" how things change! A wonderful time was had by a full-house on 1st April when "The People of the Green" gave a concert of songs from across the spectrum followed by wine, nibbles and conversation.

St. Christopher's was the centre of the Village's Coronation celebrations. The church was a profusion of flowers with predominance of red, white and blue. A special family-style service was held on Sunday followed by tea, coffee, & cakes and a bring your own Coronation Big Lunch in churchyard.

A Rowan tree was planted by the north gate as a lasting symbol of the Coronation. The ringers rang on coronation Saturday and Sunday. The weather was good to us, all-in-all a truly community event, for some of us reminiscent of the parties in 1953.

Marking spring and our hopes for gardens and crops in the summer, a Rogation and Bell Sunday service was held on 14th May followed by walks in our beautiful countryside and a delicious chilli lunch at the Village Hall. A great collaboration between church and WSSC.

We look forward to celebrating St. Christopher's Day at 9.30 on Sunday 23rd July when we will be joined by High Ongar and the High Ongar musicians. Other dates for your diary are Heritage Open Days – 15, 16 & 17th September, with Harvest Festival at 9.30 on 17th. Autumn Church Quiz on 30th September. Pets' Service 22nd October. The Organ Recital planned for 20th May will be rescheduled in the autumn or early next year. There is lots going on, keep up to date by joining the church WhatsApp group ask Jacqui - 07867 971641.

This opportunity is taken the thank those PCC members who did not stand for re-election for their hard work and welcome new members. There is still a vacancy on PCC if you felt able to assist in the running of the church.

# St. Christopher's Willingale Bell Ringers

Tower Captain - Gemma Crouchman
Affiliated to the Essex Association of Change Ringers

www.willingalevillage.uk/bell-ringers

Now that summer is here, and you have doors and windows open, the ringers hope that you enjoy hearing the bells on Wednesday evenings and Sundays.

With the warmer and lighter evenings, it is a good time of year to come and join us either to have a go at ringing or just for the social time after 9.00pm on Wednesdays when we share a glass of wine or beer. Ringing is good light physical exercise and brain workout. Contact Gemma – 07850487878.

Ringing of church bells has for centuries called people to worship, marked national events, and announced news. So it was on the Coronation Weekend. Along with towers across the nation, we rang between 10.00 and 10.30 before the Westminster service on Saturday 6th May to celebrate the Coronation of King Charles III. And we rang before the service on the Sunday of Coronation weekend.

Sunday 14th May was "National Bells Sunday" but also Rogation Sunday, during the service a prayer was said for the ringers. More ringing emphasis was placed on Pentecost Sunday when in addition to Pentecost, the service marked the anniversary of the dedication of the St. Christopher's bells on Pentecost Sunday 2012.

We'll be promoting bell ringing as part of Village Day on 24th June so do drop by at the tombola stall for a chat when we can explain that bell ringing is more than just pulling a rope.

# Willingale Village Hall

## Important update

The hall remains a vital hub for the community and it's role for future generations should not be overlooked. With this is mind, a few items need to be shared with the community. After a recent inspection, it has come to light the main hall roof will need to be replaced in approximately 10years (half of previous estimates) It should come as no surprise that the cost of this is significant, hire revenue will only contribute a small portion of the cost. The remaining will have to be sourced via grant funding and fund raising activities. Community engagement on this initiative is vital. Moreover, the hall is managed and run by volunteers and new members are always most welcome and much appreciated. The ongoing benefits and service the hall provides, to the village and beyond, is in our safekeeping, let's leave a great legacy.

# The Reverend writes……..

I hope everyone is enjoying the Summer and that God will bless your plans for this time of year. Not that long ago we started the summer season in church with Rogation Sunday. The sun eventually came out, Willingale looked its finest, and people enjoyed walks around the parish and a chilli meal courtesy of the Village Hall.

Rogation comes from the Latin “rogare”, which means “to ask”. At this time we ask God to bless our community, not least the growing crops and all the interpersonal relationships that make this village a great place to live. That’s why the traditional walks take place – to see what is already happening in our small part of the world and to give thanks for it.

Jesus tells us that we should ask God the Father for the things we need in life. The Lord’s Prayer says “Give us today our daily bread”. Jesus also says most human fathers and mothers love to give their children good gifts, so how much more will our loving Heavenly Father give to those who ask him.

But why do we need to ask? Because a conversation is how a relationship starts. We all have friendships that started with one small interaction with someone else. That person could now be a trusted friend, or even your partner!

In a similar way God does not impose on us, but longs for us to start the conversation, and to know Him more closely. I believe God’s blessing are all around us for us to see. Perhaps we can start a friendship with God by giving thanks for what is good in our lives. God can be with us in all the ups and downs of life, giving us gratitude for things in the past and present and hope for the future.

So let’s celebrate this season of the year – with Village Day on June 24th, maybe with more country walks, social and community gatherings, and hopefully with the warm summer sun shining down!

Best wishes and God Bless

**Rev. Stewart**

Willingale CC have had a soggy start to the 2023 season so far. Now well into May, the team have only had one game due to the inclement weather and the sheer amount of water that's fallen on the village this Spring – which has made ground preparation incredibly challenging.

We will have our usual Saturday league side competing in the Herts & Essex Border League Division 1 this summer, where we hope to be challenging for a return to the Premier Division.

A few new players have been added to the roster, and we look to have decent strength in depth. League games all start at 1.00pm.

On Sunday's, we also have a number of attractive home fixtures to keep the village crowd entertained. Yet again, a good number of players have reported back for duty, so the future is looking quite rosy once we ditch the flippers and snorkel and get out in the middle.

We're always on the lookout for more players, however, and would welcome anyone interested in joining us to contact Jon Read on 07825 303068.

As usual, we will always have a well-stocked bar, with Woodforde's Wherry available on draught too, plus snacks. We also plan on doing a few evenings of BBQ food, a curry and camping night and, of course, our famous Village v Club game on Sunday 24th September where all are welcome to come and have a go.

See you at The Glebe!

EVERY Friday
At Willingale Village Hall
10.30am to 13.00pm
Drop in for a drink or for brunch (ready 11.30 am).
Please let me know if you would like to stop for brunch by the Wednesday for catering purposes.
Phone 01277896533, 07906 053754, stokes.dawn@outlook.com,

We offer light refreshments as well as a full delicious brunch of Sausages, Bacon, Hash browns, Freshly Baked Rolls, Eggs, Baked Beans, Mushrooms & Tomatoes, to all residents of the village.

Chat is easy throughout the morning, especially when we all 'muck in' to wash up and tidy back.

We host the local 'Coffee with Cops' throughout the year, which offers the opportunity for anyone to drop in and catch-up with PC Warren Shephard.

We recently marked the King's Coronation with some themed food and baked a coronation cake.

In essence, Catch-Up is a friendly place to pop in and see friends,

We welcome drop ins for tea & coffee, but if you wish to stay for brunch, please contact for catering purposes.

We always look forward to welcoming you.

# Friends of St Andrews Willingale.

*St. Andrews church is **always** open,*
*Muddy Boots and dogs welcome!*

We are very grateful to Jill and Amanda who despite health issues have produced the wonderful seasonal displays. A great coronation display was enjoyed by many. I always look forward to every change of season and my grandchildren often ask to pop in.

Over this last year we had scouts camping overnight in St Andrews… they had fun …. using St Christophers for water and toilet facilities.

Over the last year, we have given two church tours.

One was organised by the Churches Conservation Trust who maintain the building, as part of a larger tour of a number of local CCT churches. The second was a U3A (university of the third age) group in conjunction with St Christophers.

The jackdaw who likes nesting in the roof and spending time flying around the church did have a brief visit but so far this year hasn't seemed to be a problem.

If you do find the bird in the church please leave the main door and bird screen open and he finds his/her? way out. But do message me and I can check that the bird escaped and clear up as necessary the next day. ( Dawn 07906053754)

Thank you to Jill and Amanda for their hardwork at knitting, designing the wonderful displays in St Andrews. they are much appreciated.

# Willingale Tea Rooms

Now that the warmer weather has finally arrived, we are hoping to see more of you at our monthly tea room meetings which are held on the third Monday of each month from 10.00 to 12.00 in the Cleminson room at the village hall. For the low cost of just £2 you can have as much delicious home-made cake or savoury delights as you can eat, washed down with tea or freshly brewed coffee!

We are very pleased to welcome two new helpers, Sharon and Andrea and would like to say a huge thank you to Jane Cass who is standing down after many years of volunteering. We will certainly miss her invaluable contribution to running tea rooms, not to mention her expert baking!

We can always do with more volunteers as we sometimes need cover for each other and like to provide a good variety of treats. If you think you have the time to bake a cake or something savoury just once a month and join our small, friendly band of helpers please get in touch with Julia on 899917 or Llyris on 896490.

Here are the summer dates for your diary:

**Monday, 19 June; Monday, 17 July; Monday, 21 August**

Do come and join us and meet other villagers for a chat and to find out what else is going on in your village. All are welcome – all ages; and if you want to bring along a friend or family member from outside the village, they are most welcome too.

If you don't drive and need a lift please get in touch with Julia on the number above. We will try to sort something out for you.

## Community Archive

Over the last year the archive was busy working with the parish council on the airfield memorial. At the unveiling ceremony the archive produced a display in a marquee and with thanks to a number of contributors we were able to temporarily display some artefacts. After the event the we put the noticeboards on display in St Andrews for a month. Subsequently this information has been collated into a pdf document that can be downloaded from the website.

The archive organised for airfield historian Alan Crouchman to do a talk at the village hall as a fundraiser towards the cost a permanent information board at the memorial. The archive with support from Alan Crouchman prepared the narrative, map and photographs which will all feature on the lectern-style board.

The other project which the archive is working on currently is looking at the large monument in St Christopher's churchyard. According to the English heritage listing it is called the "Caroline carpenter memorial" however, initial research indicates that it was first erected for her first husband William lucking, although it is possible there was someone else buried there first. When we find more information, we will write it up in What's on in Willingale.

We also get requests for information throughout the year. For example, someone in Hampshire who read a what's on in Willingale magazine online saw that we had the air raid wardens book. We have helped him with information he requested in connection with his research.

# WILLINGALE SPORTS & SOCIAL CLUB

## Register of Members who can offer services

WSSC is pleased to publish this list of services made available locally by Members of the Club. Please note, however, that the Club does not suggest that the providers of services or goods listed have been vetted for quality or value for money. It is for individuals to make their own judgement, but it is our opinion that an extra dimension of security is probable in dealing with local people known to you, rather than taking a chance.
