A word from the editor

Welcome to the Autumn "What's On". In this edition we have articles on the now seemingly distant Village Day and Platinum Jubilee celebrations, as well as news from our regular contributors. What great summer it was!

Looking ahead, September has lots of fun and interesting things going on including:

- 10th Ongar ploughing match (page 10)
- 10th People of the Green concert St Christophers (page 26)
- 16th WSSC AGM (Page 2)
- 17/18 heritage open day at St Christophers (page 31)
- 18th Harvest festival (page 31)
- 18th Airfield memorial unveiling (page 18)
- 19th Tea room (page 33)

Do check out these dates and see if you can support these activities, as much effort goes into their organisation by people giving up their time in service to the community.

We also thank our regular advertisers for continuing to advertise in the magazine, which provides vital subsidy towards the printing costs.

Lastly, if you have ideas as to how we can improve the magazine, then do please let me know.

The range of matters coming to the Parish Council for attention always amazes me, whether it is rogue bees (not mine or Pauline's I hasten to add!), fly-tipping, hare coursing, planning infringements, public rights of way or littering. We take all of these issues seriously, and make the appropriate investigations and then act accordingly - at least there is never a dull moment in the life of a Parish Councillor!

On a positive note, it was great to be very involved with the organising of the Platinum Jubilee celebrations, including applying to EFDC for a road closure order, and then more recently to project manage the installation of a permanent memorial to the Word War 2 Airfield that operated in Willingale between 1943 and 1948.

I do hope you will attend the unveiling of the memorial on Sunday 18th September at 1.30pm.

We were sad that Paul Lloyd reluctantly decided in June to stand down as a Parish Councillor to devote more time to his other activities. He brought enthusiasm and his characteristic smile to our meetings and will be missed. Paul, we wish you well for the future.

If you think you have what it takes to be a Parish Councillor or would like to know more, then please speak to me or any Councillor and we will gladly have a chat with you. We would be particularly interested to hear from under-represented groups in the village

Willingale Celebrates the Queen's Platinum Jubilee !

The celebration of Her Majesty's Platinum Jubilee was a joint effort of village organisations – Parish Council, Village Hall, Sports and Social Club, Cricket Club, St. Christopher's Church and Village Tea Rooms. The church of St. Christopher's was a blaze of colour and filled with by floral displays mostly based on the various aspects of the Queen's life. Contributors included Jane Cass, Jean Hodgkinson, Pauline Booty, Peter Tottman, Margaret Allen, Heather Gooday, Sally Green, Rosemary Stratton, Denise Kerwin, Sharon Harper, and Val Noon.

Residents participated in the nation's "Big Jubilee Lunch". Tables and chairs were set out, music played from a specially compiled playlist, bunting adorned the Street which was closed for the afternoon. The sun wasn't shining and rain threatened, but with true British stoicism we all donned raincoats and enjoyed refreshments ranging from tea, cakes to champagne!

To commemorate the occasion a Yew tree was planted near to St. Andrew's church. At two o'clock residents gathered to witness the formal planting. David Stokes, chairman of the Parish Council, welcomed those present and thanked those who had made the day possible and placed soil around tree before handing over to Rev Stewart Gibbs. The slate plaque was unveiled by David and Essex County Councillor Jaymey McIvor. The crowd sang the National Anthem.

After singing the National Anthem the bell ringers rang seven sets of "Queens", a special sequence to mark the Queen's seven decades.

A wonderful celebration of an historic occasion, with thanks to all involved and those who made generous donations towards the costs.

What to do if you suspect hare coursing is taking place?

Hare coursing often begins in September when the fields have been harvested and ploughed, making them the perfect ground for this illegal blood sport. Hare coursing causes damage to crops, harms animal welfare and threatens the rural community. It can result in intimidation and even violence.

If you see hare coursing taking place, ring 999 and provide as much information as you can – for example, a description of the people involved, vehicle registration numbers, vehicle descriptions and the location and direction of travel.

However, it is very important that you don't confront hare coursers or put yourself at risk. You can also report it online at www.essex.police.uk where you can speak to an online Live Chat operator between 7am and 11pm.

You can also contact Crimestoppers, anonymously, online or by calling 0800 555 111.

St. Christopher's Church News

Lockdown is well and truly behind us, and some great events and services have been held in St. Christopher's. There was Mayday, the wonderful pan-village Jubilee celebrations, Song Birds in concert, and the Saint Christopher's Day service. All these made good use of the rearranged north aisle. And there is more to come: People of the Green in concert, Heritage Open Days (more details elsewhere in WoiW), Quiz Night 29th October, Saint Andrew's Day 27th November. Put these dates in your calendar.

The church events are styled to reflect that St. Christopher's is in the centre of our village and community. You do not need to be a regular church goer to enjoy the social, heritage and entertainment of these events.

The village's good friend John Jewiss has taken a well-earned retirement from quizzes, and his legendary quizzes will be a hard act to follow, but much of the enjoyment comes from the participants, so get your team assembled ready for brain teasing fun on 29th October.

Willingale is unique in Essex in having two churches in one churchyard which is good reason to celebrate Saint Andrew's Day at 12.00 on 27th November. Service will start in St. Christopher's we'll go to St Andrew's for a hymn, prayer and talk then back to St. Christopher's. An opportunity to be in St. Andrew's as a community. The days will be cooler by them so join us in St Christopher's for a Scottish themed buffet lunch.

Carol service 18th December when Christmas really starts!

As your Churchwarden, I am happy to help with things like interment of ashes & burials and of course weddings. You can contact me on 01277 896238 or 07900 592267.

St. Christopher's Willingale Bell Ringers

Tower Captain - Gemma Crouchman
Affiliated to the Essex Association of Change Ringers

www.willingalevillage.uk/bell-ringers

Ringing has been very erratic in the last few months due to lack of numbers.

There was a Method Striking Competition on 21st May which was held at Great Parndon. Five bands entered the competition and we joined forces with Hatfield Broad Oak . Unfortunately two of the teams, one of which was Hatfield Broad Oak/Willingale, failed to complete the number of changes required.

The Jubilee weekend saw us ringing on quite a few occasions. The first was on the Friday when ringers across the country were asked to ring to coincide with the service being held at St. Paul's Cathedral. We rang from 11.15 to 11.30 am to show our support for Her Majesty Queen Elizabeth II. We then rang on Sunday between 10.00 -10.30am before the Church Service and then again on Sunday afternoon when 6 ringers rang a method called Queens. This was rung 7 times to represent 70 years of dedicated service.

With ringers on holiday and also the very hot weather, (yes it does get hot in the ringing chamber even with a fan going!), a few practice nights were cancelled, as was ringing for some Sunday Church services.

I am writing this at the beginning of August but there are two weddings due to take place in August and bells rung before and after the Wedding Services have been requested.

We always welcome new ringers so if there is anyone who would like to find out what it is all about, please contact me on vnoon@btinternet.com or if you see Gemma Crouchman or Peter Tottman around the village at any time speak to them for more information.

Willingale Village Hall

Village hall hiring activity has remained stable over the summer months, however there is always capacity for new hirers and those which contribute to the community are especially valued, so please keep spreading the word about what a wonderful space and facility the hall is.

The Village Hall Committee continue to discuss how to attract new hirers, regular or for one-off events such as weddings. The hire tariffs remain extremely competitive relative to other similar facilities.

As raised in previous editions of What's on in Willingale, unprecedented increases in energy prices are a major area of focus for the Committee. New interim guidelines for energy consumption are being implemented to help optimise appliance usage and avoid unnecessary and unsustainable expense. Moreover, early stage due diligence is being conducted into the viability to obtain a grant for a roof-mounted solar array installed to help mitigate raising electricity prices. Harvesting of green energy, which could also be sold back to the grid, has clear benefits for both the hall and its users.

Finally repairs to the hall's drainage system are to be scheduled for September, there will be restricted access to the car park for the period of the works (approx. 5 days) Regular & one-off hirers will be notified in advance. The Hall will remain operable whilst the repairs are made.

Get fit for life!

The Reverend writes……..

Dear Willingale Residents,

We have had a hot and dry summer, and now the seasons are changing as we head into Autumn. Children return to school, the days are noticeably shorter, the nights chillier. The yearly round of change continues. Many commentators are suggesting that modern urban living means changes in the year are less easy to see - this is certainly not the case in Willingale!

At the start of the year, I set myself the task of walking the length of the River Roding (from its source near Stansted to Barking Reach). This has been fascinating, and at different times of the year I have given thanks to God for the diversity and beauty of our area - particularly of course when walking through Willingale Parish.

As our year turns and we continue on our walk through life, I pray God would bless you, and your family and friends, in all your endeavours. Do join us at St Christopher's to mark some of special points of the year and the journey of life - Harvest and the Heritage Open Days, Remembrance Sunday, St Andrew's Day (a special event to celebrate both the churches in our churchyard) - and of course Christmas to come.

Best wishes,

Rev Stewart

Willingale Airfield Memorial Grand Unveiling

Sunday 18th September at 1.30pm

On the Fyfield Road (just before “Peacehaven”)

You really don’t want to miss this momentous occasion in the history of the village. David Stokes as Chair of the Parish Council has been working with the “Airfields of Britain Conservation Trust” for the siting of a permanent, substantial granite memorial to remember all those who served at the airfield, mostly during the second world war.

It will look like this:

The memorials weigh 1.4 tons and are made from high quality granite. Special thanks are due to Heron Farms Ltd (Grant Perry) for generously making the land available, and to a team of volunteers who prepared the site, and in particular to Bernard Green for the loan of a digger and operator, and Stuart Bosworth for using his equipment and professional expertise.

So what is happening on the 18th?

- There will be a **display by the Willingale Village Archives**, for which thanks to Dawn and her team.

- **Alex Burghart MP, will unveil the memorial** together with Kenneth Bannerman, the founder of the charity. There will be short speeches.

- There will be a **display of World War 2 period military vehicles**.

- The **United States Airforce are sending an "Honor Guard"** from RAF Mildenhall to parade the Flag in front of the memorial.

- **Reverend Stewart Gibbs will say a prayer of dedication**, remembering all those who served at the base, many of whom who lost their lives.

- **Maps will be provided free of charge** showing the location of the runway, and all the buildings associated with the airfield, and the map will highlight the public rights of way, so that visitors on the day can walk around the site .

Please put the date in your diary and come along for 1.30pm. You can park along the concrete roadway inside the gates to Merton Hall.

A combined article this quarter.

With the airfield memorial unveiling the community archive team are working hard on preparing a display for the afternoon.

We have lots of really interesting information and pictures.

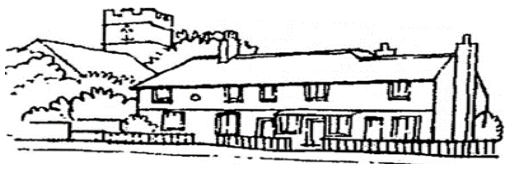

For example -

We have a radio script in which two pilots describe how after a plane was shot the tail gunners parachute opened before he bailed out and he was stuck half way out of the plane and he was eventually pulled back in. whilst under fire. Spitfires came to support them and the pilot managed to get the plane back to England and land on one engine. Lovely to read the story from the people involved.

If you wish to have a second look after the event we will move most of the display into St Andrews afterwards.

Do come and look.

Thank you to Jill and Amanda for their hardwork at knitting, designing the wonderful displays in St Andrews. they are much appreciated.

THE CHARITY OF F.J. CLEMINSON FOR ALMSHOUSES

Are you looking to get more involved in our village community?
This could be the opportunity for you……

We are looking to expand our small band of trustees, currently at 5, to support the charity that is responsible for the 4 Ayletts cottages in the centre of the village – to the right of the church.

A bit of background: They were originally built around early 1600s and started life as a large house and a subsequent extension. They were donated to the village by Frederick Cleminson, who lived in Spain's End, at the time, in 1943. They were converted into the current day cottages and a Trust was then set up to manage them. The cottages were made available to 'poor elderly persons'.

Our Support: We have help and guidance from the Almshouses Association along with rules from the Charity Commission. They keep us on track!

What we've done so far: we've been busy developing a new structure and guidelines for the charity with a focus on further improving the fabric of the cottages so they can provide high quality homes for our beneficiaries both now and into the future.

What's happening now: We've embarked on the latest work at the back of the cottages. Our main aim is the essential upgrading of the doors and windows as the first stage in our long-term maintenance regime.

What we need: your energy, enthusiasm, and ideas to help us run the charity as well as we can whilst remaining true to the objectives approved by the Charity Commission.

Previous experience: no previous experience is required; we can show you the ropes. We're keen to have a range of people with different skills and expertise so we can complement each other.

Your commitment: typically, we meet about every one or two months, in an evening for a couple of hours.

When? Ideally, we're looking at expanding the number of Trustees this Autumn. If you're interested and that timing isn't right for you do please still contact us as you'd be welcome in the future when we have further vacancies.

Like to know more? If you'd like to find out more about us and what happens do contact Shirley Blake for an initial chat. Her contact details are: shirley@shirleygreenaway.com/01277 896 416.

The rest of us are Bernard Living, Nick Pavyer, Gillian Darley and David Myers.

Ongar Jazz Club 37th concert season.

The 36th season of jazz concerts came to a triumphant end in May with the appearance of Ian Bateman and his Band and their tribute to Louis Armstrong and Ella Fitzgerald. This was the last of 9 concerts held by the club at the Budworth Hall where we presented a variety of Jazz Concerts ranging from New Orleans Dixieland to Swing.

The new season of concerts at the Budworth Hall kicks off on 23rd September with Digby Fairweather and Friends . This promises to be an exciting evening to start our new season.

The programme for all the concerts is published opposite. Tickets are available on our website www.ongarjazzclub.co.uk , but for those of you who are not on the internet , you can book tickets for all , some , or even just one of the concerts by calling Paul Keska , our Booking Secretary on 07768 815390.

You can also now pop into John Sear Estate Agents and reserve a ticket there when you are in the High Street. John will make a note of your booking and we will reserve your tickets. We are grateful to John for his generosity in assisting the Club in this valuable way.

After a tricky start to the season, Willingale CC are giving themselves a chance to stay in the top division of the Herts & Essex Border League. Following an unbeaten promotion season in 2022, the first half of the season proved to be challenging, against strong, young and athletic sides. Our team of Dads Army veterans and new blood have battled back well after being bottom for most of the first half. We now sit just outside the relegation zone in 8th, following wins against Hatfield Heath and Farnham and stirring draws against title favourites Matching Green, Nazeing Common and Takeley. Highlights have been the erstwhile Dave Mundell's herculean efforts against Takeley when he took 5 wickets and scored a wonderful hundred, skipper Paul Dawson who was now claimed 21 league wickets and even your reporter was able to roll back the years with a cheeky 6-48 at Hatfield Heath. Despite suffering two key injuries most of the season, the boys have fought hard to stay in the high-quality Premier Division, and we're encouraged by the recent emergence of youngsters Sam Jones (a village resident) and Ben Bailey.

The Sunday and T20 side are now unbeaten in a couple of months, and have morphed into a great little side who enjoy playing together. A host of new players have transformed the side into an athletic and enthusiastic team, under the stewardship of Paul Dawson – and runs from the bats of newbies Dave Kay and Dan Godridge have driven us forward, but equally important has been the team spirit shown by the whole side as an almost brand new side has now hit their straps to churn out big runs and wickets.

It's also great to have the travelling support at a recent T20, the villagers especially enjoying the recent local derby at Roxwell where we saw an all-run seven! Having support at our games is such a boost, and we'd like to thank all those who give up valuable weekend time to come and watch/heckle us! We will have a game on at least one day of the weekend, sometimes both, so feel free to pop over and have a drink?

Village Day 2022

The Willingale Village Day returned this year after an enforced absence of two years, with perfect weather! There were some changes most notably the lay out of the stalls on the field. The “street” approach proved to be very popular and people reported that it created a very good inclusive atmosphere. Stall holders were pleased as people visited all the stalls. It was also great for the children who participated in the games, as they could easily be watched and encouraged by their families and friends.

It kicked off as usual with the trail run which attracts many outside runners and their families. There was the usual mix of stalls including a few new ones. As usual the dog show was extremely popular and villagers were proud to show off their pets. Joy from “House and Jackson” was there to undertake the unenviable task of choosing the winners. As she says “they are all lovely; in their own way”!

St Christopher's, Heritage Open Days

16th, 17th & 18th September

Including unveiling of Willingale airfield memorial.

St Christopher's is participating in the 2022 national Heritage Open Days with floral displays under an "Astounding Inventions" theme. Refreshments in the churchyard with stunning views over Roding valley. Church tours, bell ringing demonstrations and stalls of famous local produce.

This year's HOD will include the unveiling of Willingale airfield memorial organised by The Airfields of Britain Conservation Trust and Parish Council. See separate article on page 18

The Sunday church service will also be our Harvest Festival.

Join us on Sunday morning for our Harvest Festival service when we give thanks for the natural bounty from the land and the God given science of inventions.

Willingale Tea Room

A good time was had by all at our special Jubilee Summer Buffet in June. The bunting was out again (some of us remembered to wear our red, white and blue!); everyone had a good old chinwag; there was a delicious spread washed down with a glass or two of wine or prosecco and we raised a tidy sum of money for the Ukrainian fund with our raffle.

Our call for extra volunteers in the spring edition paid off and we are very pleased to welcome James to our small band of helpers. His home made quiche is very tasty!

We are open on the THIRD MONDAY OF EVERY MONTH from 10.00 – 12.00 and despite rising costs, we are keeping to the small overall charge of £2 for unlimited tea/coffee, cakes and savoury delights!

Everyone is welcome - all ages!!

If you don't drive and would like a lift, I'm sure we can arrange one for you. Contact Julia on 899917 and we'll see what we can do.

The autumn dates for your diary are:

Monday 19 September
Monday 17 October
Monday 21 November

We will have to start thinking about mince pies and stollen cake soon!

WILLINGALE SPORTS & SOCIAL CLUB

Register of Members who can offer services

WSSC is pleased to publish this list of services made available locally by Members of the Club. Please note, however, that the Club does not suggest that the providers of services or goods listed have been vetted for quality or value for money. It is for individuals to make their own judgement, but it is our opinion that an extra dimension of security is probable in dealing with local people known to you, rather than taking a chance.
