A word from the Editors

The rainfall data later in the magazine shows quite how dry the summer has been. 3 .71 inches fell from May to July this year compared to 7.73 inches for the same period in 2024. The hot dry weather has been challenging for our local farmers, with the arable crops looking sparse in places as harvesting started earlier than usual.

It has been challenging as well for gardeners trying to keep their borders looking colourful as the lawns have turned brown and straggly. On the Church allotments in the village some crops have struggled in the heat, although Potimarron squashes (more commonly grown in southern France) have thrived.

The allotments benefited earlier this year from the installation of a new gate in the corner by Mann's Yard. This has discouraged the deer from coming in from the adjacent fields and sampling the produce, whilst still enabling access for dog walkers.

More recently the Churchwardens implemented a tidy up around the edges of the allotments, removing old unwanted compost bins and other discarded vegetable protection kit. This has enabled better access for hedge and grass cutting and definitely improved the general appearance of the area. Thanks to all concerned and to the volunteers who regularly maintain the grass and hedges of this area.

Willingale Parish Council

willingaleparishcouncil.org.uk

We really are blessed to live in such a beautiful area of the country - the sun setting across the freshly harvested fields with the warmth of summer very much still with us is a real treat – I trust that you and your loved ones have had the chance to enjoy the recent good weather.

Thanks to all who attended the Annual Parish Assembly back in May, it was enlightening to hear from all ten of our village organisations many of whom are supported by a loyal and dedicated set of volunteers. Several of the updates included a call out for new members and volunteers so if you've always wanted to try out some bell ringing or have some time you could devote to helping to run or maintain our Village Hall to name but two of the requests made, please get in touch. We were also joined by PC Dane Wyatt who gave us a great insight into the work of the Essex Police Rural Engagement team.

Your councillors continue to focus on local matters such as planning applications, highway related issues including fly-tipping and also local crime. At our July meeting, we were joined by the Deputy Leader of Epping Forest District Council, Cllr Ray Balcombe who as well as advising of the latest Council boundary devolution plans, discussed how EFDC Council could further support us in tackling the recent increased frequency of fly-tipping around the village and surrounding area.

If you think you have what it takes to be a Parish Councillor or would like to know more, then please speak to me or any existing Councillor and we will gladly tell you more. We would be particularly interested to hear from under-represented groups in the village.

As always, you are very welcome to attend any of our meetings and if you have any local concerns, please contact us (details on the back page).

Next Meetings: 9th September, 11th November 2025

All meetings 8pm at Willingale Village Hall unless otherwise advised.

Nick Pavyer, Chair of the Parish Council

cllrpavyer@willingaleparishcouncil.org.uk

St. Christopher's Church News

As Summer settles over the village, it's a natural time for reflection and gratitude. Through the seasons of Lent and Easter our Church has continued to be a place of prayer and quiet strength within the village.

Rogation Sunday saw a wonderful day for beating the boundaries around our beautiful village, finishing up at the Village Hall for a delicious homemade chilli, gratefully provided by the WSSC. (Thank you).

Deanery Synod Meeting It was a pleasure to host the Deanery Synod meeting here at St Christopher's on the 12th June. This is a formal gathering in the Church of England where representatives from parishes within a deanery (a geographical grouping of parishes) come together to discuss and make decisions on matters related to mission, ministry, and the wider diocese. These meetings are a key part of the church's governance structure, acting as a link between individual parishes and the diocesan level. A yummy barbeque was generously provided ahead of the meeting.

On the 1st July we welcomed Reverend Albert and Pam Watson to lead us in Holy Communion. It is always such a pleasure to see them, and we are very grateful for their support.

A beautiful wedding was held at St Christopher's on the 21st June.

On what was probably the hottest day of the year, Llyris and Chris said, 'I do'.
It was a joyous occasion.
We wish you both every happiness.

Do you have a special anniversary coming up?

Make it even more special by having a blessing in our beautiful village church of St. Christopher's. Please get in touch with Rev Stewart - 01277 366047

Breakfast Service

We trialled a new initiative on Sunday 20th July. During the family style service, bacon butties and refreshments were served. A great opportunity to come together mid service.

It was well attended and enjoyed by all.

The next two dates for these are 17th August 9:30am and 21st September 9:30am (which is also Harvest festival).

Entriy for the Willingale calendar competition has now closed.

Upcoming Events:

- Ride and Stride on the 13th September.
- Heritage Open Days takes place on the 20th and 21st September with the theme of Gargoyles to Gables, Honeycomb to Spider's Silk.
  Please see the poster in the magazine for full details.
- Harvest Festival 21st September 9:30am, with food donations to the Harlow Food Bank.
- The People of the Green Concert. 27th September. Please see poster.
- Archdeacon Jonathan Croucher joins our Family Service 28th September.
- Quiz Night 18th October. Please see poster.

Willingale Parochial Church Counci

St Christophers is open every day including weekends

Our church is here as a space for quiet reflection, to support you through life's milestones, and for regular worship services.

St Christopher's Church Services

We warmly welcome you to join us for our regular monthly services:

First Sunday at 9:30 AM – Holy Communion

Second Sunday at 6:00 PM – Evensong

Fourth Sunday at 9:30 AM – Family Service

Stay for coffee and biscuits after morning services or enjoy a glass of wine or sherry after evening gatherings.

Want to get all the church news?

St. Christopher's Willingale Bell Ringers

Tower Captain - Ian Kerwin 07837 170816

Affiliated to the Essex Association of Change Ringers
www.willingalevillage.uk/bell-ringers

Our AGM took place in May and the following ringers were elected:
Chair – Gemma Crouchman, Tower Captain – Ian Kerwin, Treasurer – Pauline Booty
Secretary – Sue Evans

Following on from Ian's last article, it occurred to me that some of the terminology used when writing about bell ringing could be quite puzzling to non-ringers, for instance, the 'QP of Bob Triples' I rang for my birthday. QP is an abbreviation for a Quarter Peal, and at Willingale are rung on six bells. Ringing a QP takes approximately 40-45 minutes and consists of one or more methods being rung, with a conductor calling the various changes of 'bobs' and 'singles' needed to achieve the required 1250 sequenced method changes. The bobs and singles apply in all methods being rung and cause the bells to change places and continue in a different place in the method. We attempt QPs twice a month and have a positive success rate. Plain Bob Triples was rung at Harlow Common on eight bells but all the same rules apply. A full peal which takes around 2hrs45mins requires 5040 changes – but that's for another article!

The circle of work, the blue line, places, leading, hunting, dodging, are just a few words and phrases regularly used in the art of bell ringing and if I have piqued your curiosity to explore a more in-depth understanding, please come along to one of our Wednesday practices to see what bell ringing is all about – you will be made very welcome.

We came in third place in our Method Striking competition in May at Matching, unfortunately missing out on the top two places by an extremely small margin. We do, however, have two further competitions coming up, a Call Change competition in September and a Plain Hunt competition in November, and we hope to bring back trophies from both – although we will be up against some stiff competition from other towers in our District.

Well done to Gemma Crouchman for ringing in the band which took part in the Association 8 bell finals competition in July at Terling; whilst the band didn't make first place they rang well.

As with VE Day, we will be ringing for VJ Day on Friday, 15th August, a national initiative organised by the Central Council for Church Bell Ringers, along with other towers across the country.

This year, Willingale ringers will be celebrating Heritage Open Days on Saturday, 20th and Sunday, 21st September with ringing demonstrations, visits to see the bells and 'have a go' sessions, so do come along to St Christopher's and see what's going on and give the ringing a try – you might even find yourself returning on a Wednesday evening to join us!

The Reverend writes……..

Dear Willingale Friends

As Autumn draws in our thoughts naturally turn to concerns we had left behind in the summer. These may involve the children or grandchildren being back at school, our jobs becoming busier, darker evenings, and when to turn on the central heating for the winter!
It is good to think about change sometimes. It gives variety to life and does not have to be worrisome.

In St Christopher's Church we will be celebrating Harvest on the weekend of Saturday 20th and Sunday 21st September. The church will be open from 10am to 4pm both days to see the floral and produce displays and to come together as a community at this time of year over tea and cake! Harvest Festival Service will be on Sunday 21st at 9.30am

The Harvest is all about change. Once again we can marvel at how a tiny seed can change and produce a great crop. We can marvel at how farms around the country (and around the world nowadays) produce all the food we eat. And we can hope and pray for change in the fact that some people in our world still do not have enough to eat.

One of the stories from the Bible that we hear at Harvest is of God's people, the Hebrews, finding the Promised Land. They had been enslaved in Egypt, subject to racism and oppression. But God had seen their plight and brought about change. He took them to a new place. So wonderful was this freedom that the people called it a place "flowing with milk and honey". No wonder the story has so much resonance with people wanting a new start and release from oppression. Martin Luther King, for example, was inspired by these actions of God.

The message of the Christian faith is that God wants us to be released from the things that bind us. He wants us to be free. He wants us to change for the better – to be the people we are truly meant to be. This change is positive and anyone can begin it. God has, I believe, the power to turn any situation around. Yet he is non-forceful and wants us to have the dignity to make choices for change ourselves, in partnership with him.

Autumn tells us about change. Faith in God tells us that positive change is possible for ourselves and our world.

Willingale Village Hall

Summer is almost over and the Village hall has been busy with a lot of private events.

The Village Hall has several functions, one of them providing the space for various community groups to meet. There are many regular groups hiring the space and there is of course the very much appreciated Willingale Sports and Social Club that offers bar facilities and the opportunity to meet up, have a chat and connect. The Hall is also available for private hire and a lovely space for a variety of events.

The Village Hall itself runs the Friday catch up club, the popular weekly brunch event as well as Tea Rooms once per month where members of the village meet to have tea, cake and savories and even more importantly meet, socialise and catch up. The Willingale Archive is also a responsibility of the Village Hall. It is run by Dawn Stokes who provides regular updates of projects going on.

We also organise events to bring our community together like the Craft Fair, Children's Christmas party, Plant sale etc. Thank you to everyone who came along. These events aim to support our community but also to raise funds for the Village Hall. Please save the date for another Craft Fair on the 8th November!

Otherwise the Village Hall Committee is responsible for maintaining the Village hall to up-to-date standards. That means not only meeting the regular running costs but also providing reserves for bigger projects and also for unforseen maintenance costs that have to be dealt with. This is why fundraising is important to make sure the financial situation of the Village Hall is sound to be able to continue to provide all of the above.

The committee meets once every month and there are vacancies for trustees at the moment. We would love to hear from you if you might be interested to join us. Please contact myself or anyone from the committee if you are considering this. You can also just come along to our meetings as an observer 2 or 3 times before committing to become a trustee if you wish.

Thank you to all of you for your ongoing support and we hope to see you at one of our next events.

Andrea Wiessner on behalf of the Village Hall Committee

Footpaths - Autumn 2025

In just a little more than two years from now Essex County Council will cease to exist to be replaced by a number of Unitary Authorities. The planned number of authorities and other details will be submitted to the government at the end of September. Current favourite is for three authorities with headquarters in Colchester, Chelmsford and Southend.

So what does this have to do with footpaths? Well I have been responsible for the creation of a new website covering the old Cumbria County Council geographic area. The old authority had a forward thinking approach to the management of PROW with some very useful information on the old website. Sadly neither of the two Unitary Authorities that replaced Cumbria CC were willing or able to take on these parts of the old site. To prevent all this information and supporting data being lost forever the Land Access and Recreation Association (LARA) built a new website to continue this support.

I see this as a cautionary tale for what could happen in Essex. The stated intention is for each new authority to assume responsibility for roads thus creating three highways departments. This in turn will create a situation very similar to Cumbria and could mean the demise of the exceedingly useful Essex PROW Interactive Map. This map shows every footpath, bridleway and byway in Essex and any that have access restrictions in place. A very useful tool indeed and one I personally really don't want to lose.

I think everyone would agree that this year has been an exceptionally dry one which has meant less vegetation growth except for brambles. Everywhere I go where the paths are narrow there seem to very nasty brambles trying to attack me. There aren't even many blackberries to compensate.

Coal hole or crypt?

On the south side of the church where the chancel joins the nave this ventilation hole can be seen. When the trench was dug along its perimeter in 1989 whilst no foundations were seen in the chancel the southeast buttress had been underpinned with 18th-19th century brick, the notes (unascribed) suggest this was underpinning of the 'Brocket vault'. Is this a ventilation hole for the crypt? However, an elderly resident informed me that this was nonsense as this was the delivery point for the coke for the new heating system installed in 1909.

On the north side of the church you can see the chimney stack that was installed for this heating.

Friday catch up

Summer is a busy time for birthdays at catchup, nearly every week we have a birthday cake, with candles to blow out regardless of your age! Last year we celebrated two 90th birthdays and this summer we are celebrating Evie's 21st, she has been popping into catch-up since she was 8 years old. Her Grandmother, Jill, helped set the group up and in school holidays Evie would join her sometimes.

Roxwell Chequers Open!

After being closed for over five years, it was purchased by the community, extensively refurbished The Roxwell Chequers reopened at the end of June. Run by tenants David and Sam who serve a wide range of beers and wines. At the time of writing they are offering a sandwich and jacket potato lunch menu from Tuesday to Thursday (12 to 4pm), a full menu including pies, fish and chips and other pub favourites on Friday to Saturday (12-6 pm) and Sunday lunch including roasts (12 to 5pm). David and Sam are still testing the water to understand demand but from September onwards expect to expand their offer from Wednesday to Saturday to the full menu from 12 to 8pm. Tables are reservable in advance but you can also walk in without booking.

The pub is getting excellent support from the Roxwell community and a number of Willingale residents have enjoyed the friendly atmosphere. For some it's their closest pub.

The outside seating, including an attractive garden, have been very popular this summer. There have also been a number of events including live music and a quiz. Details are shown on the blackboard outside the pub and on Facebook at **The Chequers, Roxwell; Proud to be a Community Pub**

For reservations phone 01245 959800

Willingale Tea Rooms

Corks were popping at our June Tea Rooms session when our customers were treated to a glass of Bucks Fizz! Llyris, one of our volunteers, was tying the knot on the following Saturday and we all raised our glasses to wish her and Chris all the very best. Llyris, who has lived in Willingale for a number of years not only helps out at Tea Rooms but is also on the Village Hall Committee, a bell ringer in St Christophers and a volunteer bar member for the Sports and Social Club. A very active member of our village community! Here's a photo of the big day and what a wonderful celebration it was for the happy couple and their families and friends.

We can't promise a glass of fizz if you come along but we can supply you with as much tea and coffee as you like, delicious home made cakes and savouries treats. All for the small charge of £2.50. All are welcome and if you would like to bring a friend from outide the village they will be very welcome too. It's a great way to relax for a couple of hours and catch up on village life, upcoming events and perhaps make new friends, especially if you are someone new to Willingale.

Tea rooms is open on the third Monday morning of each month from 10.00 – 12.00. Here are the dates for the autumn sessions. Let's hope the great summer weather we've had continues for a while before the cold weather sets in!

Monday, 15 September; Monday, 20 October; Monday, 17 November

…….Look forward to seeing you

About the Ongar Jazz Club

Ongar Jazz Club will be celebrating its 40th season of concerts starting this September. We have a varied and exciting program of jazz concerts with some bands returning to the club and others visiting fort the first time. I often feel that we are so lucky to be able to listen to music of this quality so close to home; these are often musicians who have travelled the world playing and accompanied some of the greatest musical artists.

Our concerts take place in Ongar's Budworth Hall and the ticket price is £15.00. Food is available on site and the bar is open. Membership is not needed, tickets are available on the door but it is best to call Paul Keska on 07768 815390 to book. You will need to pay to make sure of entry! We look forward to welcoming you to Ongar Jazz Club.

WILLINGALE SPORTS & SOCIAL CLUB

Register of Members who can offer services

WSSC is pleased to publish this list of services made available locally by Members of the Club. Please note, however, that the Club does not suggest that the providers of services or goods listed have been vetted for quality or value for money. It is for individuals to make their own judgement, but it is our opinion that an extra dimension of security is probable in dealing with local people known to you, rather than taking a chance.

Contact Clare McFaul for all advertising enquiries on 07403 069278

Car Repairs & MOT
Jacksons Garage Ongar. Will pick up and deliver back to village if required. Chris Jackson 01277 363707

Events
Cafe 2 U eliminate the worry and hassle for you supplying great espresso coffee, drinks and snacks for your event or promotion. We can also help with fund raising at your event. Iain Ballantyne 01277 896073.
