A word from the Editors,

Well actually it is a “word from the editor” as I am temporarily stepping in this quarter in Tom & Lesley’s absence. I am very grateful to them for taking on the arranging and publication of the magazine last year and I’m sure you will agree that they are doing a fantastic job.

I’m sad to report that Steve Arnold’s firm can no longer print the magazine having disposed of that part of their business, and so we are trialling a new arrangement with “YouLovePrint”. We are thankful for the many years over which Steve’s firm has printed the magazine at cost.

We are pleased to welcome some new advertisers this quarter, in BFS Fuels, Ernest Doe, Rosner’s Landscaping Services, and Tim’s Garden Barn. Advertising income is crucial to the production of the magazine.

As I write this page, the snowdrops are popping up everywhere and even the daffodils are bursting forth. The Willingale Red Kites are giving the longer established Buzzards a run for their money, and we were delighted to see that the Kites appear to have successfully bred in the area - they are a truly magnificent sight as they swoop low over the garden!

I wish you all a lovely Spring, as we all look forward to some warmer and drier weather.

When this edition of "What's On" arrives on your doorstep, we will be getting close to the **annual village litter pick on 22nd March**. I know that some of you take time out to litter pick all year round, but it's lovely when we all come together to embark on a community activity. We are very grateful to Stuart Bosworth for organising the event each year, and to FJ Bosworth & Sons who generously support the initiative. Iain Ballantyne's "Cafe2U" will again be providing complimentary hot beverages, and Stuart & Carol will be providing bacon rolls!

We've noted a slight uptick in fly tipping recently, and continue to work closely with EFDC and the Essex Police to have them cleared promptly and try to track the perpetrators.

In local government terms, the big news is "Devolution" which will see Essex County Council in the vanguard of Labour's policy with the creation of an Essex "Strategic Authority" for which a Mayor will be elected in 2026. Local Council elections which were due this year are postponed. You can read more about it here: https://www.essex.gov.uk/about-council/plans-and-strategies/our-vision-essex/devolution-and-local-government-reorganisation Whilst District Councils (including Epping Forest) will cease to exist, Parish Councils will remain crucial to local democracy and decision making. Watch this space for more news.

It would be great to see you at one of our meetings, and as ever, please don't hesitate to get in touch about any local matters that you think the Parish Council can assist with.

Nick Pavyer

Chair - Willingale Parish Council (cllrpavyer@willingaleparishcouncil.org.uk**)**

Upcoming Council Meetings:

11th March and 13th May 2025

All meetings from 8pm at Willingale Village Hall unless otherwise advised.

Members of the public are always welcome to attend.

St. Christopher's Church News

As we step into the New Year, it's the perfect time to reflect on the events that have brought us together, strengthened our bonds, and reminded us of the values that make our communities thrive. Among these, the recent carol concert and the coffee morning hosted by Reverend Stewart stand out as shining examples of compassion and connection.

A Joyous Carol Concert: The carol concert was truly wonderful and brought the community together in celebration and song. Held in the heart of the church, it was a moment to pause, reflect, and rejoice during the festive season. The Children did a magnificent job of carrying the heavy and precious Nativity figurines to the altar while carols were sung and the story of the nine lessons were read out. Young and old, left with hearts full of joy.

Coffee Morning; A Warm Welcome for All: Reverend Stewart's coffee morning was another highlight of the season, offering not just refreshments but a welcoming space for everyone. The event had a special poignancy as it welcomed a visitor who had been laying wreaths in honour of loved one's past at this time of year. This act of remembrance added depth to the gathering, illustrating how the church continues to serve as a sanctuary for reflection and support. Attendees enjoyed warm drinks, mince pie and craft activities.

Christmas Morning Service: We celebrated the birth of Jesus with a meaningful message and joyous hymns.

We were immensely happy to welcome The Venerable Adam Atkinson-Bishop of Bradwell on the 12th January to our Evensong service. Bishop Adam greeted many of the congregation as they sat in the pews before the service began and stayed to chat afterwards where we all enjoyed drinks and nibbles. Thank you to all who came and supported St Christopher's and demonstrated what we and Willingale are all about.

Upcoming Events:

Saturday 19th April, The Reverend's Easter Coffee morning 10am-12. Craft activities and Bunny hunt for all.

Easter Sunday 20th April, Service at 10:30am. Easter Egg Hunt, Hot Cross buns and refreshments after the service.

May day Celebrations: Sunday 4th May. Service at 10:30am. Tea and Cakes served afterwards where we will crown our new May Queen and celebrate the 80th Anniversary of VE Day. Followed by a BBQ provided by the WSSC at the Village Hall from 2:30pm. Bar open as usual. Please see poster for full details in this magazine.

Our service ringing and practice nights are continuing as normal,

WE DO NEED NEW RINGERS TO COME FROM WILLINGALE, as I'm having to ask ringers to help from further afield.

We are competing in the 8 bell competition on 8th March which is being held at Hellions Bumpstead, we came 3rd last year so we'll see how we do this time.

On the 8th May it's VE day and we have been asked to ring at every ringable tower in the country at 6 30pm we will do our best in our district to ring as many as possible.

It was my birthday on the 18th January so to celebrate, six of us rang 4 quarter peals, One at each of Willingale, Fyfield, Moreton and High Ongar. We had a family meal in the Butchers Arms at Barnston where the landlord brought me drink it nearly finished me off drinking it all, he also said nothing is free and made me look ridiculous.

The Reverend writes……..

Dear Willingale Residents

One of delights of Willingale Churchyard is walking around the back of the tower and sitting on the bench that you find there. From the Street outside our two churches you don't notice much of the view over the Roding, so going around the tower, sitting down and looking is a bit like finding a secret place and making a connection with the world.

I often find it leads me to connect with God, thanking Him for the beauty of the earth. That often prompts me to thank Him for other important things in my life, and then this often naturally ends up with me asking Him to look after the people and things I care for, and to help me appreciate them more. Soon I find I have been praying for a while!

Prayer is connection with God. It is very often as "simple" as I have just described. It doesn't need lots of fancy words; indeed sometimes it doesn't need many words at all. St Paul in the Bible says is like our spirit moving in connection with God's good grace. Whatever else our spirit is, it certainly is the element in us that matters the most, that reaches out to others, and is who we "naturally" are: the essence of ourselves as it were.

As the season changes this spring, now is a great time to find that place in Willingale where you can connect with the world around you and God. Maybe it is a obvious place (both churches, for example, are open for you to explore and have a quiet moment everyday), or may be it is a secret place only you think you know, or maybe it is just your own garden or armchair!

At St Christopher's we will soon we celebrating the season of Easter and its related festivals. Christians believe that this time celebrates God connecting with the world through the death of his Son Jesus on the Cross for love of us. It is also about His rising again to show us that nothing good is ever lost in God.

May you have a wonderful Spring time and a great Easter.

Rev. Stewart

Willingale Village Hall

The Trustee Committee has been busy over the winter months; some work will be visible to those that attend the hall, but much goes on behind the scenes.

Hallmaster, the new online booking and invoicing system has been rolled-out and is now live and accessible via the hall's website. A big thank you to some external support which was essential to this upgrade; Adam and Jacqui @Cleartec both for website support and donating computer hardware and Lin Sanderson for her support in tirelessly setting up and back testing the system. Without their help, the process would not have been quite as smooth !

Looking ahead, the committee is scheduling a Spring Plant Sale and of course tea and cakes will be available. All proceeds will be deployed for the on-going maintenance and upkeep of the hall.

Village Day is an event that is being reviewed because after many dedicated years of service, Val Thomas will no longer be co-ordinating it. This leaves a large hole that needs to be filled if villagers wish the event to continue. The Village Hall committee in conjunction with St Christophers Church have always been involved with the process and welcome ideas, suggestions from all who have thoughts on how this village celebration should continue.

Finally, the committee would like to extend their thanks and appreciation to Barry Hodgkinson who has finally hung up his mop and is no longer in charge of keeping the hall clean and tidy.

Both Val Thomas and Steve McFaul have stepped-down as trustees, and their commitment over many, many years has been outstanding. The hall would simply not function and survive without this calibre of volunteer. The Committee would love to hear from villagers who would like to join us.

Stewart Calvy.

Community Archive

I was recently contacted by the manager of Epping District Museum in Waltham Abbey. They are putting together an exhibition for VE day anniversary which will be open from April through September. He found the Willingale archive web page and saw the booklet that came from the airfield memorial exhibition and he wishes to include a section on the Willingale airfield as part of the exhibition!

Another part of the exhibition will include the land army—sadly I have nothing in the archive about any local information. Does anyone have any?

To Mr F. Weal

There is a HEARTY WELCOME HOME awaiting you from your friends in the Village on your return from Service in the War.

Nothing we can do fully expresses our gratitude to you and others who have worked and fought for our Freedom and Won for us Victory, but we ask you to accept this gift as a token of our thankfulness and with our best wishes for your future.

On behalf of the Welcome Home Committee,
F. J. BOSWORTH,
Chairman.

February, 1946.

I have also been asked by the musuem and St Christophers church if the archive has anything on Willingale at VE day. Sadly I only have the welcome home card which came with a gift. I have no idea what the gift was and no other information about the village response to VE day. Does anyone have any as it would be nice to do a display in St Christophers to mark VE day.

*St. Andrews church is **always** open,*
Muddy Boots and dogs welcome!

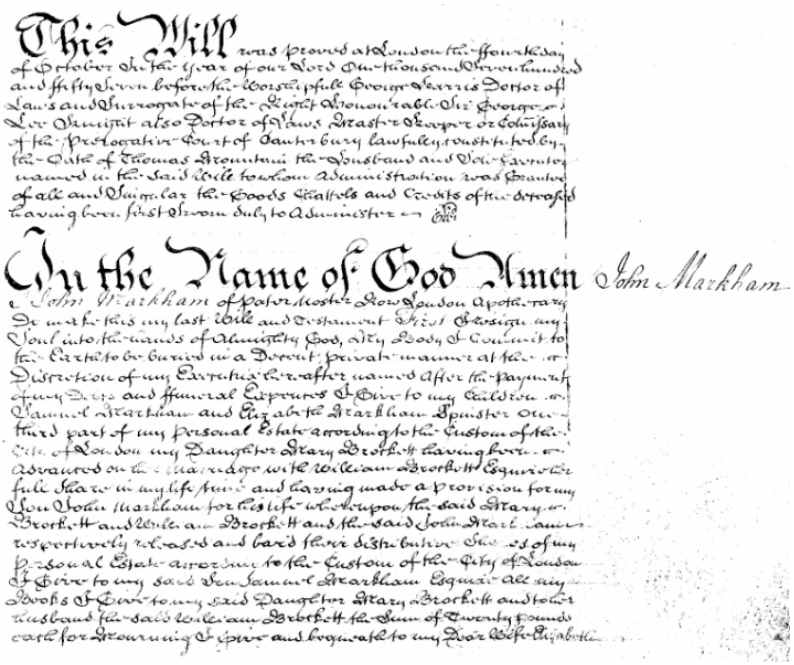

In the nave of st Andrews there is a black floor slab with a coat of arms which perplexed the late Viv Woodman and I for a while .

Why would a man from Paternoster Row have a memorial in St Andrews Willingale? We Found out he was an apothecary of some note and also a member of the governing committee of the Royal Bethlam (Bedlam) Hospital.

In the end Viv had the bright idea to order his will. When this came through we found his connection to Willingale was that his daughter married a member of the Brockett family in 1752. (see last quarters article.)

Viv and I had discussed what to do with a weedy plot by the front door with the 12th Century coffin lid so we decided to lay a herb garden as it links to his apothecary. There is a bay tree some sage, rosemary and thyme. If you need some for your cooking please help yourself!

This Will was proved at London the fourteenth day

Friday catch up

This April Friday catchup becomes a teenager! Having started in 2012 we have met nearly every Friday since then, except during Covid where we tried to keep in touch as best we could, including some garden meets when allowed. Over the years Fridays have evolved and we have discussions and try out different things. Just before Christmas we looked again at doing craft activities, this has worked really well and we are looking at creating 'saleable' items to sell at the village hall craft fair to raise funds for the village hall as well as making some for personal use. In January we have been knitting and we have nearly finished some cushions which we will store. We are looking at making some jewellery soon and doing some sewing. We also have cardmaking available.

The other change we tried which has worked well is to offer lighter brunch alternatives. So we have the full English but also toast and honey or poached eggs and/ or baked beans on toast and there is fresh melon every week .

I just need to know if you want full brunch so I can buy and prepare enough food - please call me on 07906053754.

Any Willingale resident can drop in any Friday at anytime during the morning, eating drinking and craft activities are all optional, if you just want to pop in to chat you are very welcome.

Throughout the morning drinks and biscuits are always available.

10-11 am optional craft activities. We then clear the tables so we can eat!

11.15-11.30 brunch is served

We close at 1 pm.

It is starting to feel like spring is around the corner again with a few bright and crisp mornings appearing this week as I write this. We have had an exciting few months in Roxwell, with the Chequers Inn pub opening once a month for pub "pop-up" nights. We enjoyed Xmas Eve on one of those, the rugby was shown recently, and every event at the pub is popular and busy. We are planning another "pop-up" on Friday 4th April and finalising the schedule for March. There's a lovely picture below of the rugby night where we also had a pizza van on the forecourt to feed those tummies!

The committee are busy with the interview process for the tenancy with new applications regularly arriving. We were excited to be awarded Runner Up for the CAMRA Pub Saving Award 2024 in January and an award ceremony is planned on 4th April.

We still run volunteer mornings most weekends as there are a number of jobs to finish and people have been very kind in helping set-up, run and take down for the pub nights we have held. It's a real community team effort and we are enormously grateful to everyone who helps or attends these events.

We have our own newsletter and if you wish to be added to it – please contact us at RoxwellChequersCBS@gmail.com and you will hear all you need to know about our events in the pub. Cheers!

Spring Plant Sale

April 12th

Willingale Village Hall

2-5pm

Come along to stock up on plants and there will be tea and cake for you to enjoy.

Willingale Tea Rooms

We've been serving up our delicious home made cakes and savouries to an increasing number of lovely Willingale folk over the winter season. The December session was full of Christmas cheer (the fizz and mulled wine went down a treat)!

A group from Roxwell joined our January session and were very impressed with our lovely village hall, our warm welcome and what we had on offer for only £2.00. Although we are first and foremost a Willingale community group we don't turn anyone away, even the odd passing cyclist has been known to pop in. Our Willingale residents are of course always welcome to bring along a friend from outside the village.

Having mentioned above our current charge of £2.00, which hasn't changed for a number of years, we have come to a decision to increase this to £2.50. This is due to rising costs of coffee/tea and ingredients. For this small amount you can still eat all the home made treats and drink as much tea and coffee as you like!

Spring is well and truly on its way. So put a spring in your step and come along on the following dates from 10.00 – 12.00 to join a very friendly group of people for a good chat and enjoy the goodies on offer.

WILLINGALE SPORTS & SOCIAL CLUB

Register of Members who can offer services

WSSC is pleased to publish this list of services made available locally by Members of the Club. Please note, however, that the Club does not suggest that the providers of services or goods listed have been vetted for quality or value for money. It is for individuals to make their own judgement, but it is our opinion that an extra dimension of security is probable in dealing with local people known to you, rather than taking a chance.
