A word from the Editors,

Willingale residents love to share unusual events in the village on the What's App group; Northern Lights over the church, lovely sunsets (not so unusual) and the VE Day fly past in the distance heading for London. Early one recent Wednesday morning, surprise was shared when the bin lorries were heard and seen, not long after 7am. Moreover, attached to the empty black bins was the new Epping Forest District Council Collection Calendar and Recycling Information leaflet containing interesting news.

From June, all households will recieve a blue lidded recycling bin delivered which will replace the clear sacks and blue box currently used for recycling waste. This 240 litre bin is larger than the current black bin for household waste.

Undoubtedly there are both pros and cons associated with this move. It removes the risk of sacks splitting and their contents escaping and may make it easier to store recycling in between collections, although some concern may be raised as to whether the bin will be big enough to contain all the recycling for some larger households. In addition, properties with relatively little outside space may struggle to find a convenient place for the bin in addition to the current green and black bins.

Full information on what can be put in the blue bin is on the EFDC website, which also confirms that there will be no change to collection days and that bins should be put on before 6.30am on that day.

Willingale Parish Council

willingaleparishcouncil.org.uk

Spring can be a busy time of year for all of us, and as a Parish Council we are very grateful to Councillor Stuart Bosworth and team for organising the annual village litter pick which is reported on elsewhere. It was a great social event as well as removing all litter from the verges and ditches! The council team also completed a thorough "spring clean" of the play equipment on the village green, in addition to the regular checks that Councillor Joe Bianchi undertakes on behalf of the council

By the time you read "What's On", the council will have held its annual meeting at which the Chair and Vice-Chair are elected, and the annual accounts approved in addition to the regular business of the council. We will have also hosted the "Annual Parish Assembly" where many village organisations come and tell us what they've been up to over the past year and what their plans are for the future – I hope you were able to join this.

This year of course, there were no local elections in the District, and as the proposals for a Mayor-led Greater Essex Authority are developed (eliminating EFDC), the Parish Council's voice will be increasingly important.

On the 25th July, the Parish Council will again be supporting the EFDC "Play in the Park initiative which will see a morning of activities for children. Please see the advert elsewhere in this issue.

Discussions regarding "Affordable Housing" provision in the village continue in the background, and although there is nothing to report this time we continue to talk with the various stakeholders involved.

As always, do please get in touch with me or any of the Councillors if there is a matter that you would like to discuss – either that or come to one of our meetings and take part in the public forum!

Next Meetings:

8th July & 9th September

All meetings 8pm at Willingale Village Hall unless otherwise advised.

St. Christopher's Church News

It's been a busy start to the year as regular services continue in a well-established pattern, and we are delighted to welcome many new people to the congregation.

Mothering Sunday was a joyous occasion, celebrating all mother figures with the giving of delicate posies. St Christopher's was beautifully adorned with floral displays for the weekend created by Pauline Booty and generously donated by Elliot and Indie, the parents of Raphaella, in anticipation of her christening, which took place the following week. Congratulations to baby Raphaella.

Palm Sunday was celebrated marking the beginning of Holy Week. Reverend Stewart led the congregation in a procession over to St Andrews with all waving palms and holding Palm Crosses.

The Reverends Easter Coffee Morning and Easter Service Reverend Stewart hosted a warm and welcoming coffee morning, bringing the community together for conversation, delicious treats and activities for all.

Easter Sunday, we celebrated Christ's resurrection with hymns and prayers. Afterwards we gathered outside for a lively Easter egg hunt, full of laughter and excitement.

May Day we proudly upheld our traditional celebrations in collaboration with the WSSC, while also marking the VE 80th anniversary. The church was beautifully decorated in Red, White and Blue floral tributes, and highlights included the crowning of our new May Queen, Amelia Rea Berry, followed by a much-needed, warming BBQ generously provided by the WSSC. We are very proud of this collaboration and thank them very much.

Upcoming Events:

Ride and Stride 13th September.

Heritage Open Days weekend 20 -21st September, including Harvest festival Service.

Archdeacon of Chelmsford Jonathan Croucher joins the Family Service 28th September.

Quiz Night 18th October, please see flyer in the magazine for bookings.

The PCC would like to acknowledge and thank all the wonderful people who regularly fill St Christopher's with beautiful floral displays.

We recently rang the bells for VE day pulling off at 6.30 along with all the other bells in the country, this was a national initiative organised by the Central Council for church bell ringers. We continue with our regular practices and service ringing but have noticed that if visiting ringers don't come along we struggle to have enough people to ring.

On a positive note I've recently been accredited by The Association of Ringing Teachers (ART) to teach module 2F Foundation Skills. So Willingale is well qualified to teach and if anyone is thinking about giving it a go you would be most welcome.

Our 6 bell method striking competition is coming up at Matching and if we are placed in the top two we will go forward to ring in the Essex finals.

We thought we rang really well in the 8 bell competition but disappointingly came 5th so a bit down from last year.

Sue successfully rang a qp of Bob triples at Harlow Common for her birthday, the things we do to treat ourselves!!

The Reverend writes.....

Dear Willingale Friends

As I write this we have just been marking the 80th anniversary of VE Day in Willingale. We had a wonderful well-attended service in church, and many beautiful floral arrangements on the theme. You may have seen some of the memorial celebrations on TV or seen the fly-past over Essex skies as it headed to London.

Collective celebration and memory is what binds us together as a community. Although we live busy and often very personal lives, we need the company of others to be truly human. The groups we belong to - family, work, friends, village - are all very important.

The word "Christians" originally just meant the group of people surrounding Jesus Christ. It only came to denote a religion when the message of Jesus moved beyond what is now Israel/Palestine.

To follow Jesus' teachings, and to live a life honouring God, is still about being in community with other people. Going to church is not a personal religious duty, but an opportunity to meet like-minded people who (through all their up and downs, joys and mistakes) believe there is something amazing about the person of Jesus and want to find out more together. That is why in church we read out the stories of Jesus from the Bible, and on occasion take bread and wine at Holy Communion to remember Jesus' death and Resurrection for us.

This summer there are lots of opportunities to join in events together, to share memories and to make new ones. Have a wonderful time doing this! Always remember your church here in Willingale is a place we can all share our communities special moments in. The church is a place where true meaning can be found together.

Best wishes,

Rev. Stewart

Willingale Village Hall

What a lovely spring we have had so far and thank you very much to everyone who came along to our Spring plant sale to make it such an enjoyable and successful afternoon. Please see photographs to remember the day.

The Village Hall aims to provide opportunities for the community to come together, like at the Barn Dance last year, the Craft Fair as well as the Children's Christmas Party and the Plant Sale. There will also be a performance/play at the end of June (see separate announcement) and we hope to see many of you there. These events aim to support our community but also help the Village Hall by raising some funds.

The Committee meets once every month and there are vacancies for trustees at the moment. We would love to hear from you if you might be interested to join us. Please contact myself or anyone else from the committee if you are considering this. If you want, you can just come along and observe our meetings 2 or 3 times before making a decision about whether to become a trustee.

Thank you to all of you for your ongoing support and we wish you a lovely rest of spring and beginning of summer.

KEY FACTS

- The cost of valuables lost in a burglary is on average £4400. According to government statistics
- Homes with no security measures are five times more likely to suffer a break in than those who have taken simple security measures to protect their home.
- Did you know that a third of all burglars get in through a back window because it is less likely that someone will see them? Our CCTV can cover all angles of your home including your cars and your garage.
- Burglaries not only result in the loss of cars, jewellery and other sentimental things but leave you second guessing your own safety.

Community Archive

I was privileged to be asked to represent Willingale at the opening of the "Calm and Courageous" exhibition at the Epping District Museum as Willingale airfield was included.

I arrived a little early and met Ian Channell the museum manager who took me up to see the Willingale display section before the official opening, and I was pleased that it looked really good. I provided the written information and Alan Crouchman provided some artefacts that you can see in the photos.

The event started with a choir singing the old war favourites and passers-by on Sun Street stopped and joined in. The VIPs (as we were called) then went to view the exhibition and into the museum's community space room where Ian talked about setting up the exhibition and thanked those who contributed followed by a talk from Chris Prince of the Ongar Millenium Society about how Ongar was impacted by the war. If you are interested there is a report in the May 2025 Ongar News and also on the society webpage. As I was struggling to find any information on VE day celebrations in Willingale for the church display, I was grateful to Tonia and Chris from Ongar who helped me with information and a picture to include on the bonfire in Ongar.

It was a good opportunity for me to meet with other history groups in the area and although it is around a 40 minute drive, it's well worth it as the museum is a charming place to visit. If you are interested do check out the web page, as it is a Trust that runs the museum supported by volunteers the opening hours are limited.

*St. Andrews church is **always** open,*
Muddy Boots and dogs welcome!

Last edition I mentioned in passing the 12th century coffin lid, I thought that some of you may be interested in some more detail.

Whilst the churchyard is under the care of St Christopher's Church, to the right-hand side of the south porch entrance of St Andrews is an unusual stone coffin lid which is probably dated to early 12th century

In 1989 a trench was being dug to improve drainage at an angle between the porch and the southwest corner when it was discovered and lifted to its new position. However, this was not its first discovery. It was found in 1865 about two feet from the surface with no coffin and subsequently reburied allowing someone else the excitement of finding it again!

Friday catch up

The craft activities that we do between 10 and 11 have been very productive enabling us to have enough items for a small craft table at the recent village hall plant sale to raise some more funds for the village hall. All the monies taken go straight to the development fund and we raised a healthy £60. Items we didn't sell are being stored for the November craft day and we are making more items, with winter and Christmas themes so please come and find us then.

Some items we just have fun making just because we can. We had a go at the old fashioned "peg dolls" the other week. They were rather fiddly but we had fun doing them… they are not to sell; we were just playing with ideas.

Sometimes things go very wrong so do not feel you need to be skilled to join in the fun. We have had knotty wool issues several times as you can see from the photo!

Craft is always optional and some people find it a great spectator sport……. Just ask Ray Farnell!

Willingale CC have begun their 2025 season in a new division, and with familiar challenges.

With a few of the squad approaching, shall we say, more-than-veteran stages, and one or two departures, our already depleted team feels a little like Custer's Last Stand and there's a lot to do to keep cricket being played at The Glebe.

Relegated from the top division of the Herts & Essex Border League, we have begun our Division 1 campaign with a defeat at home to Little Hallingbury, and hope to have a few reinforcements back playing soon to strengthen the batting side of the team. Skipper Paul Dawson will again captain the side, with gnarled professional Mark Hawkes providing wily bowling and gritty batting. Jon Read and Dave Kay hope to provide steady influence, and this promises to be a big year for Ben Bailey in particular, given a real chance with both bat and ball. Danny Bailey could thrive with the ball at this level, and already, Steve Corner has celebrated his 40th year playing for the club with a hat-trick of keeping dismissals in the first game.

The club are desperate for new blood, so if you're reading this and ever felt a burning desire to try out, to see what its all about, maybe have a net, your village club urgently needs you!

Sunday cricket will more than likely take a back seat in 2025, with a dozen games planned but some probably expected to fall by the wayside. Saturdays are a priority, and we are always pleased to see new faces playing or even just watching, the bar will be stocked full of cold refreshing drinks and the sidelines – as ever – humming with sparkling conversation.

On Saturday 22nd March we held what has now become the annual village litter pick. There was a good turnout of volunteers and nice to see some new faces.

As you can see from the picture, a lot of litter was collected!

Special thanks to Stuart Bosworth for organising the event and to Jack, Amy and Carol Bosworth for their hard work and providing delicious bacon rolls. It was great that Iain Ballantyne again provided free drinks from "Cafe2U" and Rick, Joe, Freddie & Linda also provided valuable support. It was a lovely social and practical event, and thankfully the rain held off!

Footpaths

In a previous copy of WOIW the naming of the road gritting lorries was mentioned. This reminded me that gritting only takes place for around five months of the year, so what do the drivers do during the warmer months? Well, one of their tasks is to carry out repairs and maintenance to our footpaths, bridleways and byways. It may look like very little maintenance occurs on some of our footpaths which is probably correct. The reason for this is, in part, due to the classification of the footpaths, etc.

Essex Highways classify all rights of way into one of three groups, Promoted Routes, such as the Essex Way which runs through Willingale, are top priority and will get attention on a regular basis. Next come Access Routes which connect to villages, towns and cities and give access to the countryside hence promoting the health and well-being agenda. Finally there is everything else, which includes lesser used paths and very rural ones. This just means that some footpaths get the vegetation cut back more regularly than others.

However, safety remains the number one priority and any fault report that Essex Highways receive will be investigated and prioritised for repair by the local PRoW Inspector. Some of this work is carried out by the team that also complete the winter gritting, some by outside contractors and a great deal by volunteer groups formed by organisations that use our rights of way such as the Ramblers who are quite active in our area.

Do remember that any issues you encounter on our footpaths, including any Crossfield paths that have not been reinstated, can be reported on the Essex County Council website. You will be able to identify any which have already been reported.

In Memory of
Paul Lloyd

3rd February 1966 – 11th March 2025

Paul, his wife Emma and children Chloe and Austin, moved into Willingale in 2015 with Paul also working locally, running the financial advisory business that he founded. He embraced the rural life and quickly made friends in the village, being known for his super friendly smile and positive attitude.

He was from humble beginnings, growing up on council estates around Leyton, East London. He started working on building sites but his drive and ambition, to get a better life for himself, led him down a different path. Firstly working for a telecoms company which is where he originally met Emma, and then moving into the financial sector, where he excelled and finally starting his own company, something he was immensely proud of.

Being keen to make an active contribution to the community, Paul joined the Parish Council in September 2019, before having to step down due to illness in July 2022. He is remembered by the Parish Council Team for his cheerful “can do” approach, and a desire to make Willingale a better place for its residents.

Paul is greatly missed but will always be remembered as the most genuine, kind, fair, loving, thoughtful man and a devoted husband and father.

Dr Walker's School Foundation

Can we help your child with their education costs? See below:

Any young person who is resident in the parishes of Fyfield, Willingale or High Ongar may seek financial assistance from the Foundation. Assistance is also open to young people who currently attend Dr Walker's School or have attended Dr Walker's School for not less than two years and who, in the opinion of the Governors, are in need of financial assistance.

Assistance is available towards an education exhibit approved by the Governors, the cost of clothing, tools, instruments or books required to assist their entry into a profession, trade or calling, or otherwise promote their education. Applications for university or other further education are particularly encouraged.

Applications for assistance should be sent to the Clerk of the Governors: Mr P Gilbert, 11 Roxwell Road, Chelmsford, CM1 2LY, to arrive no later than the first full week of September. Details of the Foundation may also be obtained from the Chair or any of the Governors listed below.

WILLINGALE SPORTS & SOCIAL CLUB

Register of Members who can offer services

WSSC is pleased to publish this list of services made available locally by Members of the Club. Please note, however, that the Club does not suggest that the providers of services or goods listed have been vetted for quality or value for money. It is for individuals to make their own judgement, but it is our opinion that an extra dimension of security is probable in dealing with local people known to you, rather than taking a chance.
