A word from the Editors

After the warm dry summer, we have seen a lot more rain this autumn although temperatures remained mild in October and the first half of November. Consequently the fields are looking much greener as winter crops get off to a good start.

Also multiplying in recent weeks seem to be numerous road closures affecting routes in and out of the village and adjacent major roads. News of these are often flagged up on the Village What's App which is very helpful. At the end of October there were warnings of simultaneous closures between Fyfield and Ongar, The Street in Roxwell and Spains Hall Road which could have been quite problematic had not 2 of these been postponed.

A useful source of up to date information on road closures is the Essex Highways website www.essexhighways.org. Quickest way in is to Google *Essex Highways Information Map* and click on **Future and current roadworks map.** You can then zoom in on Willingale to check for works and closures planned in the following 2 weeks.

Update on last winter's editorial, newly named gritters for this season include Gritchard Osman, Fatima Gritspread and Ctrl Salt Delete.

Seasonal Greetings and safe travelling.

Willingale Parish Council

willingaleparishcouncil.org.uk

Your council has continued to focus on local issues since the last edition, with regular follow-ups on fly-tipping, planning applications, highways related issues including some recent initial repairs to the bus shelter on The Street. More extensive repairs to the roof and some other rotting timbers will be completed as weather allows in the coming months.

Don't forget that you can access agendas for upcoming Parish Council meetings and previous meeting minutes, past issues of What's on in Willingale and other village information on our website – www.willingaleparishcouncil.org.uk. Remember, Parish Council meetings are public meetings so you are all welcome to attend.

At September's meeting, David Stokes gave us the latest on the potential for some affordable rent and shared ownership housing in the village with discussions continuing between the housing association and the landowner, who with the Council is still keen for the project to go ahead.

I'd like to round off 2025 with a heartfelt 'thank you' to our Parish Councillors: Joe Bianchi, Stuart Bosworth, Linda Fresco, David Stokes, Robin Tilbrook and David Watson who continue to give freely of their time in support of Willingale and our clerk Clare Milligan who guides us so effectively.

Whatever you are doing over the Christmas period, we hope you have a lovely time.

Next Meetings:
13th January, 10th March 2026

All meetings 8pm at Willingale Village Hall unless otherwise advised.

Nick Pavyer, Chair of the Parish Council
cllrpavyer@willingaleparishcouncil.org.uk

St. Christopher's Church News

As the year draws to a close and we look back to the bright days of summer, we find ourselves once again in that special season of Advent and Christmas.

Summer concluded with the beautiful wedding of Allyson and Mark Palmer on the 30th August. It was a joyful occasion, and we wish them every happiness.

Heritage Open Days and Harvest Festival

Over the weekend of the 20th and 21st September we celebrated the annual Heritage open days. The theme this year was Gargoyles to Gables, Honeycomb to Spider's silk.

The church was bursting with stunning floral displays. Huge thanks to Peter Tottman, Sarah Goodwin, Denise Kerwin, Pauline Booty and her team for a great effort.

For digital purposes, here is a link to a brochure produced by Peter Tottman, for anyone who missed the event.

https://willingalevillage.uk/wp-content/uploads/2025/10/Heritage-Open-Days-Sept-2025.pdf

Harvest Festival concluded the weekend with a yummy breakfast of produce generously donated by Stuart Bosworth (who also gave a reflective insight to his farming year) cooked by Ian Kerwin and Ray Booty with a vast amount of donations to the Harlow Food Bank. Reverend Stewart made many carload trips with all the goods. Thank you for being so generous.

On the 28th September, Archdeacon Jonathan Croucher joined our Family Service. Jonathan is an absolute delight, and we were very grateful for his presence.

The People of the Green Showcased a wonderful concert once again, with a delicious supper afterwards. A lovely evening was had by all.

Quiz Night

A highly enjoyable and engaging evening was had at this year's Annual Quiz Night, which raised much-needed funds for the church. We are truly grateful to everyone who supported the event — from participants to organisers and helpers. Special thanks go to the WSSC for their generous donation of half of the bar proceeds, which was very much appreciated.

Memorial Service

On the 1st of November a gentle and heartfelt service was held for

William McFaul. Though not a resident, Iam spent many years in the village with his wife Eileen, through their close family ties. His presence and warmth were fondly remembered by all and we keep Steve, Clare and family in our prayers as we give thanks for his life.

The Willingale 2026 Calendar arrived

We were thrilled with the response to our calendar launch, which saw fantastic sales at the Village Hall Craft Fair — thank you to everyone who has supported it so far.

Our village calendars are still available to purchase! You can pick one up after any of the usual services (see list in this edition), following the Carol Service, or during the Reverend's Coffee Morning, see posters for details.

Upcoming Events:

Carol Service 14th December 4pm.
The Reverend's Coffee Morning 20th Dec.
Christmas Morning Service 9am.

Before the year bows out, we pause to share the community spirit that shines so brightly in our village.

Friday 2nd January

Bar open as usual

Please look out for our first draft of

2026 events in this edition of

What's on in Willingale.

Wishing you all a very merry Christmas

The Reverend writes……..

Dear Willingale Friends

December is always a month of anticipation. It seems to fly by with preparations for Christmas and the New Year. In our village the local groups and St Christopher's Church will be putting on a variety of events across the month. It is an occupational hazard for me, but I am already booked for eight carol services across the communities I serve and counting!

Amongst all this busyness do take time to relax too! This can be the best time of year just to take a moment to enjoy yourself and think about what you value in life.

One of the rituals of the season is opening Advent calendars. Although the ones full of chocolate can make the kids very lively in the morning, the act of waiting through the days and counting down (or up!) the numbers is good. It helps us to remember what we are waiting for and not to rush into it all at once.

In Willingale church we have the Advent candles – five in all. We build up the number of candles alight each week. It is so much part of Christmas for me to see these purple, pink and white candles glowing in their surrounds of holly and ivy leaves.

The first four candles that are lit represent people who looked forward to the coming of Jesus. These are the Patriarchs (famous figures of old like Abraham), the Prophets, John the Baptist and Mary, Jesus' mother. The last candle is lit on Christmas Day. This stands for Jesus himself. All the build-up has been about him. All the waiting is for the moment of recognising God's son come to earth. Christians believe that in him we can find not just moments of relaxation in the busyness, but true contentment and meaning in life.

Everyone in Willingale and all our friends and relations are welcome to all the church events and services at Christmas. They are always enjoyable and meaningful times. We have the Carol Service at 4pm on Sunday 14th December. There is also the Christmas Coffee Morning in Church on Saturday 20th December 10am – noon with lots of festive displays. There will be a service on Christmas Day at 9am.

Midnight Mass takes place at 11pm on Christmas Eve at our neighbouring church of All Saints', Norton Mandeville.

As a community let's celebrate all the events of this month happening across our village. May God Bless you this Christmas and into the New Year of 2026.

Rev. Stewart

St Christopher's is open every day including weekends

Our church is here as a space for quiet reflection, to support you through life's milestones, and for regular worship services.

St Christopher's Church Services

We warmly welcome you to join us for our regular monthly services:

First Sunday at 9:30 AM – Holy Communion

Second Sunday at 6:00 PM – Evensong

Fourth Sunday at 9:30 AM – Family Service

Stay for coffee and biscuits after morning services or enjoy a glass of wine or sherry after evening gatherings.

Do you have a special anniversary coming up?

Make it even more special by having a blessing in our beautiful village church of St. Christopher's. Please get in touch with Rev Stewart - 01277 366047

Visit the Village Website and scroll to the Events icon to see what's happening in the Village **www.willingalevillage.uk**

ESSEX LNRS | LOCAL NATURE RECOVERY STRATEGY

Update on the Essex Local Nature Recovery Strategy (LNRS).

The official strategy launch took place in September 2025 at Cressing Temple Barns, marking a major milestone for Essex's natural environment. It was fantastic to celebrate this achievement with so many of the organisations and individuals who have helped shape this strategy. Now, we move into the vital phase of putting the strategy into action

Small actions, big impact for nature recovery

Nature recovery begins with all of us. The Essex Local Nature Recovery Strategy (LNRS) has now launched and outlines how everyone in Essex can play a role in reversing biodiversity decline. Whether it's creating a wild patch in your garden, volunteering at a local habitat project or contributing your ideas to your town council, the LNRS makes it easy to get involved.

At the heart of the LNRS is an interactive map that shows opportunities for wildlife enhancement across the county. Even small changes in your neighbourhood can add up to big gains for nature. You can explore actions, get involved, and find your local area's priorities on the Essex Nature Partnership website.

Start your journey to support nature recovery: www.essexnaturepartnership.com

St. Christopher's Willingale Bell Ringers

Tower Captain - Ian Kerwin 07837 170816

Affiliated to the Essex Association of Change Ringers

www.willingalevillage.uk/bell-ringers

It's been a busy time for the bell ringers since the previous article and November in particular. Hopefully you found our ringing itinerary helpful.

As with VE Day, as part of the national initiative organised by the Central Council for Church Bell Ringers and along with many other towers across the country, we rang at 6.30pm for VJ Day on Friday, 15th August, commemorating the end of World War II and as part of the nationwide remembrance of those who served and sacrificed. Normally on Friday evenings, the bells are rung on the simulator so cannot be heard but obviously for this particular occasion we were open ringing. Unfortunately, following a vigorous complaint, we had to curtail our ringing as it was clear that neither the ringing nor the occasion was appreciated. I would, however, on behalf of the bell ringers, like to thank all those villagers for their positive messages indicating their respect for the occasion and endorsing their support for the bell ringers and the ringing.

On Saturday, 30th August, Kieran and Kelly Kerwin organised a Ring and Ramble, ringing at Bobbingworth and Moreton before stopping for lunch at Fyfield church or the local pub and lastly walking the Essex Way to Willingale. It was a beautiful day to be walking from one church to another across the fields, chatting along the way.

Willingale ringers celebrated Heritage Open Days on Saturday, 20th and Sunday, 21st September with ringing demonstrations, visits to see the bells and 'have a go' sessions.

In September we took part in The Stan Clark Memorial Call Change Competition and were pleased to take first place and bring back the trophy for the second-year running.

L-R: Kieran Kerwin, Sue Evans, Andrew Pummell, Gemma Crouchman, Ian Kerwin, Denise Kerwin

Unfortunately, we didn't do so well at The Charlotte Parsons Memorial Trophy on the 1st November and with 14 bands from across the North Western District taking part the competition was very strong - but you can't win them all!

As well as taking part in the competition on the 1st November, the bells were also rung to celebrate the life of Iam McFaul, followed by a successful quarter peal dedicated to Iam.

The bells were rung half muffled prior to the Act of Remembrance on the 9th November and the photos show how one side of the clapper is muffled.

For information, the Willingale bells were the result of a community project in 2011/12 and the following link shows all that was achieved https://youtu.be/sD0IAY-uh4Q or have a look at Bell Ringers – Willingale Village on the village website.

A quarter peal was also rung prior to the 6.00pm service of Memory and Hope. As well as general service ringing and practices several quarter peals have been rung. An Association training day took place on the 22nd November at St Christopher's with the bells being rung on the simulator.

Ray and Pauline Booty, Ian and Denise Kerwin and myself attended the Association 70th Annual Dinner at The Old Brentwood's Club on the 11th October and had a thoroughly enjoyable evening.

It just remains for me to wish everyone a wonderful Christmas and a Happy New Year and here's to plenty of successful ringing in 2026!

Willingale Village Hall

It has been a busy summer at the Village Hall with many private events having taken place including weddings, parties and smaller events. The Village Hall can always be hired for private events, so if you would like to book the hall or the Cleminson room, please contact Llyris at bookings@willingalevillage.uk. or request a booking at our online booking system at https://willingalevillage.uk/willingale-village-hall/. The smaller space is great for smaller functions or family gatherings and the big hall is suitable for weddings and bigger parties and events.

A lot of maintenance work has also taken place and you may have noticed some scaffolding at the hall to deal with some needed repairs of the old roof. This as well as other maintenance jobs have happened to keep the hall in good condition for the community to enjoy. Maintenance of the building is an ongoing process and some of the funds raised from recent events have contributed to make these tasks possible.

We would like to thank everyone who made the recent Craft Fair such a lovely event. With a great variety of stalls, wonderful cake donations from our baking fellow villagers and from the Bakehouse coffeeshop and the delicious food from Lesley and Tom, it was a lovely occasion to come together and enjoy some Christmas shopping and to have a bit of time out. Thank you to all who came along! Please see opposite some photos from the day.

With the Children's Christmas party planned for the 6th December, we hope to have something enjoyable in store for our younger generation. Please see separate flyer.

This leaves us to wish you all a wonderful and peaceful Christmas and a good rest of the winter!

Andrea Wiessner on behalf of the Village Hall Committee

Fly-tipping is an activity that is unanimously condemned by everyone except the fly-tippers themselves and measures to counter this activity get debated at many a meeting at both the local and county level. For me this is a subject I have discussed on so many occasions at meetings such as the Byways Working Group and the PRoW User Group meetings. The issue is problematic and the ways to curtail it are limited.

If we take byways such as Lucas' Lane (the byway that connects Norton Heath Road with Bassetts Lane) which has had more than its share of rubbish dumped, there are a very limited number of ways that can be used to try to prevent it. Gates are often seen as a way to limit access but these come with their own problems and issues. This has been tried at various places but they require a Traffic Regulation Order (TRO) to be created to make them legal. That is more difficult to do than it sounds, in part because of legislation that has been enacted over the years which mean there must be valid reasons to close a road. Fly tipping is not one of them.

At various times we have implemented giant 'Lego' blocks made from concrete - (these have been pulled or pushed into ditches, etc.), popup posts (pulled out of the ground), gates (wrenched off their hinges and the gate posts pulled out of the ground) and width restrictors. To combat the fly-tippers the width restrictors have been the most successful. The reason for this is that fly-tippers are seldom the ones creating the damage, they simply go elsewhere because they like to work quietly and not draw attention to themselves. Legally we can limit the width of a byway to 2 metres which prevents a large proportion of the vehicles used to fly-tip.

Using more total closures such as gates will attract the more criminally aggressive groups who believe their access should never be curtailed. Width restrictions of 2 metres are not a barrier to them and get left alone more. Bassets Lane, at the Norton Heath end, has the disadvantage of being very wide at the junction with the tarmac road meaning restrictions can only possibly be implemented where the hedges start to narrow the width otherwise agricultural access would be affected. The first few metres of the byway would always be vulnerable

A thorny issue indeed.

Friday catch up

Friday Catch up had a lovely stall at the craft fair with a variety of crafts we have made throughout the year. 100% of the sales went back to the village hall. We have fun trying out different techniques, some more successful than others! The consensus is that during catch-up we need fairly straightforward crafts that allow us to chatter whilst doing them, as we do love a chat over coffee, croissants and brunch.

Willingale

Community Archive

As part of the 5 year programme for setting up of the Willingale Community Archive in 2013 Vivienne Woodman and I produced a heritage leaflet which the lottery fund grant we were awarded enabled us to print. I was looking through the archive room and we do still have spare copies of the original print run if anyone would like a copy. I am at Catch-up on Fridays if you wish to pop in and pick up a copy otherwise please email Archive@willingalevillage.uk

Willingale Tea Rooms

On **Monday, 15 December,** we will be serving up a special festive buffet, **including a glass of mulled wine or a glass of fizz** for the small charge of £5!

Do come along from 10.30 to the Village Hall for some Christmas cheer, a chat with friends (or future friends) and Willingale neighbours .

Numbers attending Tea Rooms each month are steady and we are pleased to see our regulars every month but we have plenty of room for more customers!

All are welcome and if you want to bring along a friend or family member from outside the village, they are most welcome too. Come in from the cold for a couple of hours from 10.00 – 12.00 for a hot drink and delicious cakes and savouries. We aim to keep the cost down to £2.50 and everything is made by our volunteers. You can always have an extra slice!

Here are some dates for 2026 for your diary:

Monday, 19 January;
Monday, 16 February;
Monday, 16 March

Look forward to seeing you

WILLINGALE SPORTS & SOCIAL CLUB

Register of Members who can offer services

WSSC is pleased to publish this list of services made available locally by Members of the Club. Please note, however, that the Club does not suggest that the providers of services or goods listed have been vetted for quality or value for money. It is for individuals to make their own judgement, but it is our opinion that an extra dimension of security is probable in dealing with local people known to you, rather than taking a chance.

Contact Clare McFaul for all advertising enquiries on 07403 069278
